Dressler,2025-02-15 For the Sake of Forests and Gods documents the consequences of nonstate actors impinging on the existence of Indigenous peoples in the remote highlands of Palawan Island the Philippines Nimble focused and well funded religious and environmental organizations increasingly assume governmental authority over the lives and livelihoods of the Pala wan people within their ancestral territories Wolfram H Dressler traces these actors history and contemporary practices revealing how they bypass the state to govern the less governed In the highlands environmental NGOs valorize customary objects and practices to suppress swidden and support forest conservation while evangelical missionaries regulate Pala wan beliefs health and hygiene Bridging material studies and biopolitics For the Sake of Forests and Gods explores how these nonstate actors use customary objects for comprehensive reforms of Pala wan bodies and souls centering on how the unique properties of the Tingkep basket mediate nonstate biopower These reforms impact highlanders differently some adopt biopolitical ideals willingly others for political and economic gain Yet others resist interventions prioritizing family livelihoods Ultimately Dressler argues that Indigenous sovereignty matters more than ever as nonstate biopower intensifies in Southeast Asia s uplands **When God Turns Our Mourning into Joy** Elvetha Derrick-Telemaque,2017-08-22 The God of the Bible dearly loves all His children With that said He expresses a particular brand of compassion and affection toward His daughters This volume is a concise yet comprehensive study of how a woman can experience a vibrant journey with Jesus Christ hand in hand The author thoroughly addresses the many dimensions of

womanhood that is framed by biblical fidelity She unashamedly stresses the foundational necessity of beholding the Savior through a study of His Word and prayer Getting a clearer perspective of Christ and who He is in this manner is the truest source of experiencing love acceptance forgiveness cleansing transformation and so much more By extension a daughter of God is given the privilege and responsibility of disseminating these blessings to all within her sphere of influence After laying a sturdy foundation the author affords her reader s ample opportunity to put these principles into practice by supplying several sample passages for study and meditation and subtly nuanced ways to continually connect to the Lord through prayer music and bearing testimony Ladies this will make a delightful addition to your spiritual library Gentlemen this will make a well received gift for the women in your lives whom you love and value almost as much as God does **The Quarterly**

West,2014-04-01 Sometimes life breaks us Sometimes we find ourselves lost in all the hurt and confusion we have to live with every day Sometimes it feels as though we cannot possibly endure another moment And sometimes we find ourselves so low that we literally weep through the night King David was familiar with and spoke often of this pain However he also knew of a greater hope a hope that has the ability to lift our spirits as we wait for the coming joy in the morning Joy in the Night shares ten of Don Rodney West s most popular sermons which he has presented around the world From Jamaica to Mexico to New York Pastor West provides the background information as to the location of his sermon and the reason for choosing each topic before diving into the sermon Written with humor and compassion yet not lacking in seriousness and truth Pastor West delves into ten different concepts all of which reflect not only the joy we may experience in the morning but also the joy we can find in the night in the midst of our trials **Quarterly Register and Journal of the American Education Society** ,1833 **Quarterly**

White Encyclopedia Denis Fortin, Jerry Moon, 2014-04-08 Everything About Ellen G White in One Resource This masterwork brings together hundreds of articles that describe the people and events in the life of Ellen White as well as her stand on numerous topics Doctrine and Theology use of the Apocrypha the holy flesh movement the humanity of Christ justification king of the north latter rain legalism perfection Health and Lifestyle dress reform football hydrotherapy insurance use of humor milk and cheese politics and voting secret vice time management Life Events her conversion General Conference session of 1888 great controversy vision iceberg vision San Francisco earthquake Places Gorham Maine Graysville Tennessee Loma Linda Sanitarium Oakwood Industrial School Pitcairn People Elizabeth Harmon Bangs the twin sister that Ellen worked to bring into the faith Fannie Bolton the literary assistant who was fired a surprising number of times John Byington the militant abolitionist and first General Conference president Sylvester Graham the temperance advocate whose cracker lives on today Moses Hull the evangelist who lost a debate with a spiritualist in more ways than one Everything from the hymns Ellen White loved to the homes she lived in are covered in heavily referenced articles You ll find a detailed chronology of her life and extensive articles on her ministry her theology and her statements in the light of advancing scientific knowledge Whether you re preparing a sermon teaching a class or finding answers to personal questions this single resource has the answers you need **Key to Revival** Gordon Ziegler, 2014-01-24 This book answers the following type of questions Why hasn t Jesus come yet Is it because God s people need a revival and reformation How can we obtain an awakening Can we secure clues from past revivals Is there a recurring pattern in historical revivals and reformations Where are we now relative to that pattern What is the difference between legalism and antinomianism How do views on the atonement the nature of Christ and the sealing impact our quest for a revival and reformation What is the final revival type Are we nearing it These pages prepare the reader for the final revival and reformation Some of the answers offered in this book will surprise you They could even change your life Daniel Eleven Mysteries Gordon Ziegler, 2014-01-22 Some prophecies like Daniel 2 for the most part have been well understood by God s people for hundreds of years Daniel 11 is different Though the symbols are thrown off in that prophecy and the angel prophesies in plain language the prophecy has been more difficult because so many applications have presented themselves to scholars and it has not been clear which application is correct That is particularly true of the last verses of Daniel 11 The author has solved that problem by making all of the applications correct one after another in a sequence He finds there are more applications of the last verses of Daniel 11 than of any other known prophecy of scripture seven No wonder the prophecy has been intractable so long The author does careful exegesis and develops an unparalleled hermeneutic base for accurate interpretations 24 hermeneutic principles The research is not fruitless or moot because several earth shaking results are brought to view Ellen White points out the truth that the promises and threatenings of God are alike conditional

1SM 67 If the conditions were right any of the last day prophecies could be shortened by a Revelation 11 15 19 experience
Then let not the reader become irrevocably fixed on the scenario of events in this book Prophecy will still be fulfilled no
matter how events come to pass And the 24 hermeneutic principles will hold true regardless The reader will recognize the
truth of the prophecies however they are fulfilled God bless the reader as he she reads and attempts to digest this book May
you learn from it precious things showing the nearness of the coming of Jesus Amen *Catalogue of Copyright Entries:*
