Revelation in the Song of Songs Vola Masoandro Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of

prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book *The Congregational Quarterly* Joseph Sylvester Clark, Henry Martyn Dexter, Alonzo Hall Quint, Isaac Pendleton Langworthy, Christopher Cushing, Samuel Burnham, 1870 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1908 *The Presbyterian* , 1904 **Catalogue of Copyright Entries** , 1908 *Sexuality in the Babylonian Talmud* Yishai Kiel, 2016-10-13 Within this close textual analysis of the Babylonian Talmud Yishai Kiel explores rabbinic discussions of sex in light of cultural assumptions and dispositions that pervaded the cultures of late antiquity and particularly the Iranian world By negotiating the Iranian context of the rabbinic discussion alongside the Christian backdrop this groundbreaking volume presents a balanced and nuanced portrayal of the rabbinic discourse on sexuality and situates rabbinic discussions of sex more broadly at the crossroads of late antique cultures The study is divided into two thematic sections the first centers on the broader aspects of rabbinic discourse on sexuality while the second hones in on rabbinic discussions of sexual prohibitions and the classification of permissible and prohibited partnerships with particular attention to rabbinic discussions of incest Essential reading for scholars and graduate students of Judaic studies early Christianity and Iranian studies as well as those interested in religious studies and comparative religion *Feminism and the Cinema of Experience* Lori Jo Marso, 2024-11-01 From popular films like Greta Gerwig s *Barbie* 2023 to Chantal Akerman s avant garde classic *Jeanne Dielman* 1975 feminist cinema can provoke discomfort Ambivalence stasis horror cringe these and other affects refuse the resolution of feeling good or bad leaving viewers questioning and disoriented In *Feminism and the Cinema of Experience* Lori Jo Marso examines how filmmakers scramble our senses to open up space for encountering and examining the political conditions of patriarchy racism and existential anxiety Building on Akerman s cinematic lexicon and Simone de Beauvoir s phenomenological attention to the lives of girls and women Marso analyzes film and television by directors ranging from Akerman Gerwig Mati Diop Catherine Breillat and Joey Soloway to Emerald Fennell Michaela Coel Audrey Diwan Alice Diop and Julia Ducournau Through their innovative and intentional uses of camera sound editing and new forms of narrative these directors use discomfort in order to invite viewers to feel like feminists and to sense the possibility of freedom *Methodism in the American Forest* Russell E. Richey, 2015-03-02 Winner of the 2015 Saddleback Selection Award from the Historical Society of The United Methodist Church During the nineteenth century camp meetings became a signature program of American Methodists and an extraordinary engine for their remarkable evangelistic outreach *Methodism in the American Forest* explores the ways in which Methodist preachers interacted with and utilized the American woodland and the role camp meetings played in the denomination s spread across the country Half a century before they made themselves such a home in the woods the people

and preachers learned the hard way that only a fool would adhere to John Wesley's mandate for preaching in fields of the New World Under the blazing American sun Methodist preachers sought and found a better outdoor sanctuary for large gatherings under the shade of great oaks a natural cathedral where they held forth with fervid sermons The American forests argues Russell E Richey served the preachers in several important ways Like a kind of Gethesemane the remote garden like solitude provided them with a place to seek counsel from the Holy Spirit They also saw the forest as a desolate wilderness and a means for them to connect with Israel's years after the Exodus and Jesus's forty days in the desert after his baptism by John The dauntless preachers slashed their way through following America's expanding settlement and gradually sacralizing American woodlands as cathedral confessional and spiritual challenge as shady grove as garden and as wilderness The threefold forest experience became a Methodist standard The meeting of Methodism's basic governing body the quarterly conference brought together leadership of all levels The event stretched to two days in length and soon great crowds were drawn by the preaching and eventually the sacraments that were on offer Camp meetings if not a Methodist invention became the movement's signature a development that Richey tracks throughout the years that Methodism matured to become a central denomination in America's religious landscape

The First Temptation Edwin Zackrison, 2015-10-22 In Christian thought original sin is the theological term for describing the state or condition of universal sinfulness where humans are found as the result of Adam's sin according to the Biblical account It stands distinct from actual sin or that voluntary conscious transgression of the law of God The doctrine of original sin purports to provide a systematic theological explanation of the Biblical data regarding the radical sinfulness of the human race This entails the Biblical data as well as the study of many significant Christian thinkers and writers The First Temptation explores the early attempts 1850-1900 of Seventh day Adventist theologians to understand where this doctrine fit into their understanding of human salvation Inheriting most of their theology from New England in the mid 1800s these SDA theologians set about to correct what they considered was a perversion of Protestant thought But in their pursuit they found the doctrine becoming the victim of battles between New England and New Haven Theology This book makes a profound contribution to the history of an idea central to the Christian faith As the saying goes If one does not understand the nature of the problem one cannot comprehend the fixing of the problem There is a difference between chronicle and history Chronicle records what happened history illuminates what happened Chronicle provides information history provides understanding Professor Zackrison's study is history in the best sense of the word It is an example of historical theology at its best

RICHARD RICE LOMA LINDA UNIVERSITY PROFESSOR Original sin was committed by our first parents and has been passed on to every one of their descendants Adventists have always taught this as it is implicit in our teaching of the New Birth

Olds,2023-05-23

An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena
