Sabbath School Bible Guide Fourth Quarter:

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Seventh-Day Adventists, Ellen G. White, and Salvation R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White's writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying on Jesus's sacrifice to cover their sins If they did not meet a strict set of rules would God cast them aside in the end In this book you will find out just who are the saved who are the lost and what happens to them in the end

and what end times will look like according to Ellen G White and the SDA Church The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven year period in the preparation of this book It is the author s hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace

Divine Beauty Divine Glory Alison M. Downs, 2020-09 The Beauty and the Glory of the Divine by Alison M Down is an astute look at the Exodus story that focuses on one Figure that too often remains hidden behind a monumental figure of Moses and manifold events of the book on God the Leader of the Exodus As we live in an efficiency driven society we tend to look at actions and results as the highest priority While the book of Exodus is indeed packed with actions and as it results in a radical change in history many Christians tend to overlook the main purpose of the book of Exodus The main purpose of this and of every other book of the Holy Scripture and of the Word Incarnate is to reveal God the Father Alison in her dynamic study has grabbed the very nerve of the Exodus narrative the revelation of the Divine Holiness and other attributes and characteristics of God to sinful humankind As this emphasis is lost and unfortunately it s been lost in too many publications the main purpose of the book of Exodus remains only as a potential On the other hand Alison helps a reader to refocus from a traditional study of peoples and events of Exodus to the God of Exodus The study is carefully organized after the events of the Exodus yet with each chapter with each page we come closer not just to the Promised Land but we come to better understand God the true Leader of the Exodus As a systematic theologian I see that this book is needed for two main reasons First it provides a unique focus of God Second The Beauty and the Glory of the Divine by Alison M Down helps Christians to bridge what seems to be a gap between the God of the Old Testament and His Son Jesus Christ This study is fun to read as a reader would certainly share in Alison s excitement over many personal discoveries The book is also valuable as it provides numerous parallel stories and texts from other books of the Bible That solidifies this research and makes reading more diverse and interesting I would certainly recommend this material to any diligent student of the book of Exodus Dr Oleg Zhigankov PhD Systematic and Historical Biblical Studies Pastor North Bay and South River Churches Ontario Conference of Seventh Day Adventists

In Search of the One True Gospel Vernon Sparks, 2017-12-29 There are important Biblical truths overlooked by much of Christianity The Devil would have it so and unfortunately our naturally sinful hearts find it attractively so We prefer to be saved in our sins rather than from our sins The term Gospel is in reference to the salvation of fallen mankind in Christ s future eternal kingdom of peace Tragically great differences in understanding of the Gospel is a major reason for the multitude of differing Christian faiths The Bible speaks of One Lord one faith one baptism Ephesians 4 5 Jesus Christ made the claim I am the way the truth and the life no man cometh unto the Father but by me John 14 6 Thus the Scriptures teach that there is only One True Way to the heavenly Father only One True Gospel the Man Christ Jesus When Adam and Eve sinned in the Garden of Eden embedding the trait of selfishness in humanity s heart Christ promised them that

He would come to earth to take their punishment and to crush their deceiver Satan's head As a perpetual reminder Christ gave them the sacrificial system They were to confess their sins over the head of an innocent lamb and then to slay it symbolizing Christ's future death on the cross for the sins of man When the children of Israel were delivered from slavery in Egypt Christ gave them a much more complete explanation of the various steps in the salvation process In the earthly sanctuary and its services a pattern of the true sanctuary in heaven He gave a much clearer explanation of the salvation process as to how when and where the various steps occur in reality For some 1500 years Christ worked with the children of Israel in an attempt to lead them in their tabernacle temple services to depict to the world the gospel of salvation through the coming Messiah Unfortunately Satan succeeded in blinding their eyes to the truths of their own religious services to the degree that they rejected and nailed to a Roman cross the long looked for perfect Lamb of God Unfortunately still today many of Christ's followers are failing to appreciate the important truths of the gospel as depicted for so many centuries in the priestly services of the earthly tabernacle and temples of Israel We are tending to ignore the New Testament teachings regarding Christ's High Priestly ministry in the true tabernacle of heaven see Hebrews chapters 3-10 We tend to not appreciate the important prophecy of Daniel 8:14 And he said unto me Unto two thousand and three hundred days then shall the sanctuary be cleansed Daniel 8:14 The dominant Christian faith of the Dark Ages has side tracked our attention to a still earthly priesthood with the claim to forgive sin For these and other reasons Satan is again succeeding to a great degree in blinding Christ's followers to the great truths of the sanctuary services now going on in heaven Through failure to understand as to the how when and where Christ is working to save repentant men and women from sin rather than in sin many will fail to be benefitted by His death on the cross so many years ago It is the purpose of this publication to search for clarity as to what is the One True Gospel It has found that a comprehension of Christ's role as Surety as the Lamb of God and as the Mediator High Priest of the human race goes far in achieving that goal We need much more knowledge in regard to the plan of salvation There is not one in one hundred who understands for himself the Bible truth on this subject that is so necessary to our present and eternal welfare When light begins to shine forth to make clear the plan of redemption to the people the enemy works with all diligence that the light may be shut away from the hearts of men If we come to the Word of God with a teachable humble spirit the rubbish of error will be swept away and gems of truth long hidden from our eyes will be discovered Ellen G White Selected Messages book 1 359-360 **Zion's Herald** ,1909 **The Christian Advocate** ,1899 **Christian Advocate and Journal and Zion's Herald** ,1907 **The Sunday-school World** ,1885 **Herald and Presbyter** ,1919 **Teachers' Guide to International Sunday School Lessons for [Jan.-Dec.] 1913** Martha Tarbell,1912 **The Sabbath Recorder** ,1915 *Scottish sabbath school teachers' magazine* Edinburgh sabbath school teachers' union, *The Westminster* ,1904 [God's Love Language](#) Waldon Wright,2014-04-09 God's Love Language is an easy to read comprehensive inspirational and thought provoking non fictional redemptive and life saving presentation on a

subject that has eternal consequences for individuals the family society and our world This researched work gives a clear and direct answer to the question What is God s Love Language In doing so it compares and contrasts God s Love Language with human love language against the backdrop of love love language kinds of love language and communication of love This work also shows that God has a keen interest in building a saving and eternal relationship with human beings that is second to none While God s Love Language outlines the outstanding benefits to persons who have used it are using it and will use it in the future it also presents consequences to those who knowingly refuse to use and endorse it God s Love Language also provides an inclusive list of persons who have used it This list includes the rich poor educated uneducated as well as villains whose lives have been transformed permanently for good By including users of various backgrounds and diverse experiences it sets out to show that your life can be changed for the better that your past does not have to define your future and your past sins or crimes need not imprison you to a life of doom and gloom Then as if in answer to your unspoken question it gives the reason for this seemingly humanly impossible transformation as the beings who are at the centre of God s Love Language Then it concludes by providing you with a priceless opportunity to make a response in favour of God s Love Language Take this enviable rewarding journey through this book As you become thrilled by the gripping plots scenes and life changing stories along this seven chapter experience you will conclude that while human love language is good God s Love language is a far more excellent way Then encourage others to take the same journey as you did and endorse God s Love Language
