Safe Havens Shadow Masters Sean Havens Black Ops:

SHADOW MASTERS: Reloaded J. T. Patten, 2023-06-27 Sean Havens served the government black ops underworld for over twenty years. He lived and operated through corporate cut outs and within the dark recesses of humanity to protect the country he loved. But when the family he loved was unprotected by his country, Havens' clandestine double life follows him home, colliding two very separate worlds. As a corrupt oversight exempt program drives him to soldier on, Havens struggles to hold on to what he has left of his formerly distanced life. Shock awaits as he learns who is friend or foe on the obscure domestic battlefield. To find sanctuary, he must navigate the intertwined shadows of underhanded proxy surrogate schemes, staged terrorism, and a long thought to be disbanded CIA rival, The Pond. If Havens survives as both protector and punisher, will his soul be among the body count? Few will find safe haven amidst those seeking revenge and refuge within the twisted wreckage of covert eliminations and set ups.

In a twisted world of power players and skullduggery, a team of CIA contractors travel to South East Asia to investigate a series of bombings that have taken the lives of Delta Force members. When the mission goes dark, intelligence specialist Sean Havens is sent to the jungles of Burma with a war-torn Special Forces long tabber to determine the missing soldiers' whereabouts. On the ground, Havens learns of an unlikely axis of Russia, China, and Iran that may have plans beyond illicit trafficking. But is this a ruse to mask a global financial market manipulation to fund elections and buy alliances? Can his mission support intel analyst Tanya Crowe put the pieces together first, or will she remain a liability as she struggles to prove herself in the field? Out of his element and looking to disrupt the looming global threats, Havens struggles to use his adaptability, guile, and tradecraft as his personal losses wrestle for attention. His actions may have further consequences when the Shadow Masters learn of his meddling, sending Havens again into the deadly game of secret societies and a New World Order.
