

Welcome!

A note from your child's 3rd grade teacher

Dear Parents and Guardians,

Welcome to the new school year! I hope everyone had an enjoyable summer. I would like to take this opportunity to give a big welcome to the parents and guardians that are a huge support to me with their children in my classroom. I believe parents are the first and most important teachers in their child's life.

So much happens and changes in 3rd grade; this year will be full of important transitions. It is important that each child will progress at his/her own rate, acquiring skills as they are ready, so it is very important to celebrate even the smallest successes. Building a child's self-esteem and a secure foundation is essential for future growth. I want to keep this a priority in my classroom. Here are a few ways in which you can help:

- Encourage and celebrate every success your child has. This will keep them excited about learning and proud of their work.
- Read with your child every day. The more they are exposed to language, the more success they will have in the classroom.

I am looking forward to working with your child to help them reach their fullest potential. I believe it is essential to have a good parent-teacher relationship for school success. Throughout the year, I will communicate through emails, telephone calls, progress reports, and parent-teacher conferences. I encourage you to contact me if you have any questions or concern. I look forward to growing and learning with your children as we progress through this new year!

Sincerely,

Ms. A
