

campaign for education, my recognition of the need for an educational support system shows how I do my best to help others.

Beside education, Yousafzai focuses on making youth voices heard. I relate to this, because I am currently tackling adulthood. Outside of school, I promote youth parity in my community. I helped start the Playwood Youth Commission, which offers an opportunity for teenagers to share ideas, holding accredited weight in city-wide matters. Focusing on eliminating the concept of "adulthood," a systemic prejudice against young people, the board seeks to close the communication gap between teenagers and adults. Yousafzai's bold activism at such a young age inspires me to speak up, even in the midst of an adult driven society.

No matter how busy Malala Yousafzai becomes with activism and finding equality for all people, she always prioritizes family. Her father is her biggest role model, and I look up to my father in the same way. Yousafzai's father worked hard to give her opportunities and education, even if it meant he would be in danger. I grew up with my father deployed with the U.S. Army, because he believed that regardless of how dangerous it was, his family's freedom was top priority. I will always value the education and freedom my father fought for, the same way Yousafzai values her opportunities. One day, I hope to make my father as proud of me as Yousafzai has made hers.

Following Malala Yousafzai's example, I strive to make my family proud through reaching for youth and educational equality. Yousafzai proved that no matter how difficult an obstacle, you can always achieve your goals. I hope that one day, my own life story can prove her statement correct.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
