Atlas Sir Adolphus William Ward, George Walter Prothero, 1902 *Anne de France and Her Family (1325-1522)* Zita Eva Rohr, 2025-08-24 This book demonstrates that premodern elite and royal women were critical to the geopolitical success of late medieval territorial monarchies the progenitors of early modern states It aims to communicate the unexceptionality of female political influence in medieval and early modern Europe Manifesting sophisticated and informed leadership in times of challenge and transformation women such as Anne de France her matrilineal line and the elite women and girls in her orbit were key to early modern government politics and diplomacy Through a longue durée case study this book examines generations of a premodern matriline culminating in Anne beginning with Elisabetta di Carinzia and her daughter Elionor de Sicilia continuing with Elionor's daughters in law moving into the territories of the insular and peninsular kingdoms of Naples into France with Elionor's granddaughter Yolande d'Aragon and into England with Yolande's granddaughter Marguerite d'Anjou to influence and underwrite powerful and influential territorial monarchies Together these women and the others discussed in this study form an important part of Anne de France's matrilineal heritage providing her with a historical template of lived political experience on which to construct her own gendered political theory and practice

Machiavelli in the Making Claude Lefort, 2012-03-30 In Machiavelli in the Making the influential French scholar and public intellectual Claude Lefort introduces a wholly novel interpretation of Niccolò Machiavelli's oeuvre revealing in the

Florentine s thought a thoroughly modern concept of the political with implications for our experience of politics here and now Lefort extricates Machiavelli s thought from the dominant interpretations of Machiavelli as the founder of objective political science which having liberated itself from the religious and moralizing tendencies of medieval political reflection attempts to arrive at a realistic discourse on the operations of raw power Lefort ultimately finds that Machiavelli s discourse opens the place of the political which had previously been occupied by theology and morality An essential contribution to the ongoing reassessment of Machiavelli s significance Machiavelli in the Making also stands as a crucial text for the understanding of Lefort s later writings on democracy and totallitarianism *Spinoza-Machiavelli Encounter* Vittorio Morfino,2018-11-14 Vittorio Morfino draws out the implications of the dynamic Spinoza Machiavelli encounter by focusing on the concepts of causality temporality and politics This allows him to think through the relationship between ontology and politics leading to an understanding of history as a complex and plural interweaving of different rhythms **Œuvres Posthumes de M.J. Chénier ...** Marie-Joseph Chénier,1824 List of Additions to the Library ,1891 *The Cambridge Modern History* ,1902 British Museum Catalogue of printed Books ,1891
