

Of Mice and Men Research Topics

Similar to the research papers that were written for *Animal Farm* by George Orwell, each student will complete a miniature research paper on *Of Mice and Men* by John Steinbeck.

Requirements

Each student should write an essay of *less than two pages*, following standard MLA format as we discussed in class.

Your paper should include a works cited page that is to include *at least two* sources.

For each sources that you provide in the works cited, you should have *at least one* direct quotation or paraphrase from that source.

Be sure to proper cite all sources using in-text citations. If you use the words of others, either directly, or by rephrasing them into your own language, you must provide a citation – if you do not, it will be labeled as plagiarism, which will result in a zero on the paper and an Honor Code referral.

Your paper will be due on **Wednesday, September 26**. You may submit your paper in class or electronically by 11:59 P.M.

Grading

Your paper will be graded using the same rubric as the previous research paper, which can be found online under the *Of Mice and Men* entry on Classroom Connections.

Your paper will be worth **50 points**.
