The AK-47 Gordon L. Rottman,2011-05-03 A detailed fully illustrated study of the most recognizable assault rifle ever produced The Kalashnikov AK 47 is the most ubiquitous assault rifle in the world with more AK 47s and its variants in use than any other individual small arm Created by Senior Sergeant Mikhail Kalashnikov and first adopted by the USSR soon after World War II its production continues to this day with an estimated 75 million produced worldwide Supported by photographs and original artwork this book takes a look at the complete history of the weapon discussing its design development and usage taking its story from the great armies of the Soviet Union to the insurgents and criminal gangs that often employ the weapon today **Soviet Airborne Forces 1930-91** David Campbell,2020-02-20 Established in 1932 the Vozdushno desantnye voyska air landing forces or VDV of the Red Army led the way in airborne doctrine and practice Though they were initially handicapped by a lack of infrastructure due in part to a turbulent political climate in the 1930s they still conducted major drops during World War II including at the Dnepr River in September 1943 After the war ended the VDV became independent of the Air Force and were elevated to the role of strategic asset The newly rebuilt divisions were now organized and trained to conduct deep insertions behind enemy lines attacking command and control facilities lines of

communication and key infrastructure targets such as nuclear power plants This training came into play in numerous Cold War confrontations including Soviet operations in Hungary 1956 and Czechoslovakia 1968 During the Soviet war in Afghanistan 1979 89 the VDV proved to be the most formidable of the Mujahideen s opponents with the development of the air assault concept the transport insertion and support of air landed troops by helicopter rather than parachute This title explores the development of the VDV from their conception in 1930 to their role in the Cold War and in the later invasion of Afghanistan Supported by contemporary photography and specially commissioned artwork of uniforms and battlescenes this title is a comprehensive and engaging guide to the history of airborne forces in the Soviet period **The SVD Dragunov Rifle** Chris McNab,2023-06-22 Featuring specially commissioned artwork and carefully chosen photographs this study charts the SVD Dragunov rifle s development combat use and lasting legacy from Vietnam to Syria Developed as a medium range sniping rifle in the Soviet Union during the 1960s the Dragunov stood out against most Western sniping rifle types by being semi automatic a configuration that marginally lowers accuracy compared to bolt action sniping rifles but which allows for faster follow up shots Even so the SVD is still capable of taking precision killing shots out to 800m and beyond making it a thoroughly practical combat weapon for marksmen and snipers In this fully illustrated study Chris McNab explores the Dragunov s development and performance in detail But the story of this weapon really comes to life with its combat history It is the world s most widespread sniping rifle still in use in the former Soviet armies and sold to more than 40 countries worldwide Its rugged design dependable capabilities and relatively low cost mean that it has been used in every conceivable type of conflict from Vietnam and Afghanistan to Iraq and Syria Illustrated with cutaway artwork and battlescenes plus technical and historical photographs this study tells the story of this remarkable weapon from design and development to tactical use in action **American Book Publishing Record** ,2006 *Battlefield Forensics for Persian Gulf States* Don Mikko,William Bailey,2019-05-13 Battlefield Forensics for Persian Gulf States provides an illustrative reference of various weapons toolmarks headstamps and other traits in order to identify the origins of a variety of guns casings and ammunition that can be found in the Middle East Various conflicts in the region have led to innumerable weapons being used throughout the years The lead author Don Mikko has investigated and examined firearms related items of evidence in countless crime scenes throughout the world As the Chief of the Firearms Branch at the United States Army Criminal Investigation Laboratory USACIL Fort Gillem Georgia he recruited trained and competency tested military contractors deploying to various combat related areas of the world those providing forensic firearm and toolmark identification support to local commanders What was learned was that various foreign weapons and ammunition were being utilized in conflicts and by opposing forces This book educates readers on the technical data for different types of firearms ammunition countries of origin proof marks penetrator information and the typical firearm markings imparted on fired cartridge cases such as breech face firing pin ejector and extractor markings Forensics and biometrics within the Persian Gulf have been leveraged since the

early 1990s and many of the firearms and types of ammunition covered in this handbook are addressed in an effort to assist those on the ground who are required to be able to identify such items in various scenarios The information contained within the book has proven to be effective on the battlefield and has helped shape combat operations This handbook will serve as a useful reference not only to assist military and contractor personnel within the various combat locations but will also prove to be beneficial for law enforcement crime laboratory personnel forensic firearm and toolmark examiners crime scene

Shimon Naveh,2013-04-03 This book offers a scientific interpretation of the field of military knowledge situated between strategy and tactics better known as operational art and traces the evolution of operational awareness and its culmination in a full fledged theory The author a Brigadier General ret in the Israeli Defence Forces and Doctor of History King s College London clarifies the substance of operational art and constructs a cognitive framework for its critical analysis He chronicles the stages in the evolution of operational theory from the emergence of 19th century military thought to Blitzkrieg For the first time the Soviet theories of Deep Operations and Strike Manoeuvre that emerged in the 1920s and 1930 are discussed The author argues that it is these doctrines that eventually led to the crystallization of the American Airland Battle theory successfully implemented in the Gulf War *Scientific and Technical Aerospace Reports* ,1974 *Energy Research*

Abstracts ,1981 **The Counter-Insurgency Myth** Andrew Mumford,2012-08-06 This book examines the complex practice of counter insurgency warfare through the prism of British military experiences in the post war era and endeavours to unpack their performance During the twentieth century counter insurgency assumed the status of one of the British military s fortes A wealth of asymmetric warfare experience was accumulated after the Second World War as the small wars of decolonisation offered the army of a fading imperial power many opportunities to deploy against an irregular enemy However this quantity of experience does not translate into quality This book argues that the British far from being exemplars of

counter insurgency have in fact consistently proved to be slow learners in counter insurgency warfare This book presents an analysis of the most significant British counter insurgency campaigns of the past 60 years Malaya 1948 60 Kenya 1952 60 South Arabia 1962 67 the first decade of the Northern Irish Troubles 1969 79 and the recent British counter insurgency campaign in southern Iraq 2003 09 Colonial history is used to contextualise the contemporary performance in Iraq and undermine the commonly held confidence in British counter insurgency Blending historical research with critical analysis this book seeks to establish a new paradigm through which to interpret and analyse the British approach to counter insurgency as well as considering the mythology of inherent British competence in the realm of irregular warfare It will be of interest to students of counter insurgency military history strategic studies security studies and IR in general

A Global Chronology of Conflict Spencer C. Tucker, 2009-12-23 This monumental six volume resource offers engaging entries of major diplomatic military and political events driving world conflicts from ancient times to the present Now from ABC CLIO long regarded as a premier publisher of military history comes a monumental resource that encapsulates the entire scope of conflict among human societies Spanning nearly five millennia from the earliest documented fighting to the present A Global Chronology of Conflict From the Ancient World to the Modern Middle East provides a comprehensive survey of major military events With coverage that reaches beyond the battles this work examines the political and diplomatic forces driving world conflicts revolutions forced changes of governments international treaties and acts of aggression and terrorism Written by acclaimed military historian Spencer C Tucker these six chronologically organized volumes offer an accessible richly detailed timeline of military conflict across human history The concise entries cover all important events on the battlefield and in the corridors of power with special features highlighting hundreds of key leaders and weapon systems From specific data on casualties to coverage of evolving weapons technology to insightful analyses of the social impact of war A Global Chronology of Conflict is an essential resource for students researchers history buffs and general readers alike

Instruments of War Spencer C. Tucker, 2015-07-28 This highly detailed and well illustrated single volume work documents the evolution of warfare across history through weaponry and technological change In war the weapons and technologies employed have direct effects on how battles are waged When new weapons are introduced they can dramatically alter the outcomes of warfare and consequently change the course of history itself This reference work provides a fascinating overview of the major weapon systems and military technologies that have had a major impact on world history Addressing weapons as crude as the club used by primitive man to the high tech weapons of today such as unmanned drones *Instruments of War Weapons and Technologies That Have Changed History* offers nearly 270 profusely illustrated entries that examine the key roles played by specific weapons and identify their success and failures The book begins with an introductory essay that frames the subject matter of the work and discusses the history of weapons as a whole The text is concise and accessible to general readers without extensive backgrounds in military history yet provides the detailed information necessary to convey the

complexity of the evolution of warfare through technological change **Cumulated Index Medicus** ,1974 *The Routledge Guide to European Political Archives* Chris Cook,2012 This new publication a sister volume to the highly acclaimed Routledge Guide to British Political Archives provides a wide ranging survey of the non governmental archive sources for historians of post war Europe It provides within a single volume a rich treasure trove of resources drawn from the archives of the member states of the European Union and beyond These major archive resources range from the International Institute of Social History in Amsterdam to the Modern Records Centre at Warwick University from the European University Institute at Florence to the Archive of Social Democracy near Bonn from the Feltrinelli Institute in Milan to the Monnet Foundation in Lausanne The volume also concentrates on providing resources for areas of Europe s modern political past now increasingly attracting serious historical research They include the initial post war reconstruction era the rebirth of social democracy in Germany and Italy the beginning of European integration relations with Eastern Europe the Cold War decolonisation the fall of Communism and so forth A vital part of the story is represented by the papers of the principal architects of European integration such as Monnet Spaak Spinelli Mansholt and so forth However the remit of this volume extends far beyond statesmen and politicians It aims to embrace a wider spectrum of European political activism from libertarians to environmentalists economists and human rights activists campaigners for women s rights peace activists anti globalists trade unionists leaders of the student movement anarchists federalists and anti federalists and a plethora of others The wealth of information provided here will make this new publication the standard point of reference for students and historians

Official Soviet Ak 74 Manual Introduction

In today's digital age, the availability of Official Soviet Ak 74 Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Official Soviet Ak 74 Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Official Soviet Ak 74 Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Official Soviet Ak 74 Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Official Soviet Ak 74 Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Official Soviet Ak 74 Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Official Soviet Ak 74 Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Official Soviet Ak 74 Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Official Soviet Ak 74 Manual books and manuals for download and embark on your journey of knowledge?
