Devotional Journal Ora-Jean Perry, 2019-05-15. Nothing warms the heart more than spending time in God's word. We need that communication with him to teach us and guide us through the struggles that come our way. However, our time reading the Bible is more than that. Constant conversations with our Heavenly Father bring us into an intimate relationship with him. He speaks to us through the words we read. We speak to him through prayer. The two combined together can cure the lonely heart. We are never alone. He is always with us, waiting to share his thoughts and encourage us. There are no dates in this journal. It can be started any time of the year and on any day of the week. It's designed for one day a week but could be used for a fifty-two day study if preferred. After studying the scripture references and commentaries, the blank spaces can be used to comment on what you've read, for prayer requests, for listing goals for the following week, or for listing blessings and answered prayers from the previous week. However you use it, I hope it draws you closer to God and inspires you to seek his will in all you do.
