and pray out loud For your life family marriage children home finances and land and much more Focused Praying Lemuel Baker Phd,2012-02-29 This book was written during a period of my life when my spiritual life shifted to an understanding of the authority of every believer as it pertains to prayer I realized that the Holy Spirit can help each of us break out of passivity and shift into fervent focused prayer exercising full authority over the enemy in prayer The information in this book helps to accommodate that shift The principle of speaking to the mountain is not an optional exercise but critical to our fulfilling a long satisfying life I pray you receive the divine shift in your spirit as you read this 141 page book There comes a time in every Christians life when the thought comes to mind even more than once this situation has gone too far and is out of control During these times we begin to yearn for answers to our circumstances that are magnanimous Initially we may blame men for the circumstances but intuitively and scripturally we begin to suspect there is an evil force called the enemy who controls and influences people and situations Many times we end up in such a pickle it takes a miracle to get us out of the situation The Holy Spirit is always ready to raise a standard against satan through us and this requires a genuine spiritual shift in our spirit man from a passive mode to a commanding mode mixed with strong faith This book grants awareness of this spiritual shift and shows how critical it is and how logical and how natural it is to make this spiritual shift as part of functioning in Gods Kingdom to achieve longevity Some of the topics covered are the role of angels that minister for us only mature Christians can fight successfully dealing with the enemies within us before we can address the enemy outside us and so on God wants to see us experience the victory through Jesus Christ along with character to have faith in God during severe hopeless trials Flood Gates Sue Nilson Kibbey,2016-10-04 Sue Nilson Kibbey follows up the Abingdon Press leadership classic Ultimately Responsible with her latest experience based research about how your congregation can make the shift from plateau or even decline to opening the flood gates of spiritual upsurge This resource is a practical how to guide for pastors and church leaders who dream about releasing holy momentum in their current setting Whatever your church s history setting or mission field you can set the stage to unleash the floodgates of a Breakthrough Prayer Initiative learn the skills of making an urgent case for change shift your church s culture to ubiquitous discipleship identify and deploy new leaders and other key crucial catalysts All of these have the potential to transform your congregation into a fearless Spirit driven church that will make new spiritual history for Christ in your own mission field and beyond *Journal* ,1814 *The Fountain of Life Opened Up* John Flavel,2018-03-12 This work is a collection of 42 of Flavel s sermons on the person and work of Christ Being a puritan the work Flavel displays here is well thought out but presented in a way that will require some reflection from the reader In a time when Christian values especially those of the Catholic church were being called into question it is important to take a historical look at what the puritan preachers were teaching in their day in order for us to get a sense of what Christ in this circumstance requires from us and Flavel gives a good picture of who Christ was and his requirements of us **Military Chaplains' Review** ,1987 Praying to destroy Satanic Roadblocks Dr. D.
