Bible Code Bombshell R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics John Lyman, 2009-11 Summoned to Rome by an old friend a Jesuit scholar finds himself using a code discovered in the Bible to find an ancient hidden chapel in the catacombs under the city When a rogue force of Vatican security officials are alerted to his discovery the priest flees to the Holy Land with a clue a clue that will lead him and a team of Israeli Christians to a much larger secret in the middle of the barren Negev Desert Meticulously researched and drawing on scientific fact John Lyman's intriguing story takes us into the world of scholars archaeologists code breakers and intelligence specialists who have discovered a prophetic code hidden within the Old Testament that authenticates the Bible as a book of supernatural origin and points to a divine plan This gripping novel is truly a thought provoking and action packed thriller with implications for our future
