What is a rabbit hole?

A **rabbit hole** is a metaphorical term used to describe a situation where someone becomes so engrossed in a topic, idea, or activity that they lose track of time and reality. It's like falling into a deep hole where you get lost in your thoughts and forget about everything else around you.

Here are some examples:

- "I was just going to watch one episode of that show, but then I went down the rabbit hole and binged the entire season."
- "I started researching conspiracy theories and ended up going down the rabbit hole of YouTube videos."
- "I never knew how much I loved hiking until I went down the rabbit hole of exploring all the trails in my area."

Origin

The origin of the term "**rabbit hole**" can be traced back to Lewis Carroll's classic novel, *Alice's Adventures in Wonderland*. In the story, Alice falls down a rabbit hole and enters a surreal and unpredictable world. The term has since been used to describe a journey of exploration that leads to unexpected or bizarre places, much like Alice's journey in the novel.
