*My Journey out of
Islamist Extremism*

MAAJID NAWAZ

"Majid Nawaz's *Radical* is fascinating, and essential if you want to understand in a visceral way why some young Muslims embrace extremist ideology. Nawaz went from being a hip-hop loving youngster to a radical Islamist before finally renouncing extremism. He now works to prevent others from choosing such a dangerous path and his is a voice I urge you to hear."

Radical Maajid Nawaz, 2016 The story of one young man's rise in an extremist Muslim group his imprisonment in Egypt and his rebirth as an advocate for peace and understanding

Radical Maajid Nawaz, Tom Bromley, 2013 Following in the wake of the extraordinary democratic change in the Arab world that few would have foretold *Radical* is Maajid Nawaz's intensely personal account of life inside and out of Islamic extremism It also highlights one man's quest to inspire change and challenge extremism in all its forms

Radical Maajid Nawaz, 2016-03-01 Maajid Nawaz spent his teenage years listening to American hip hop and learning about the radical Islamist movement spreading throughout Europe and Asia in the 1980s and 90s At 16 he was already a ranking member in Hizb ut Tahrir a London based Islamist group He quickly rose through the ranks to become a top recruiter a charismatic spokesman for the cause of uniting Islam's political power across the world Nawaz was setting up satellite groups in Pakistan Denmark and Egypt when he was rounded up in the aftermath of 9/11 along with many other radical Muslims He was sent to an Egyptian prison where he was fortuitously jailed along with the assassins of Egyptian President Anwar Sadat The 20 years in prison had changed the assassins' views on Islam and violence Maajid went into prison preaching to them about the Islamist cause but the lessons ended up going the other way He came out of prison four years later completely changed convinced that his entire belief system had been wrong and determined to do something about it He met with activists and heads of state built a network and started a foundation Quilliam funded by the British government to combat the rising Islamist tide in Europe and elsewhere using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the narrative used to recruit them that the West is evil and the cause of all of Muslim suffering is false *Radical* first published in the UK is a fascinating and important look into one man's journey out of extremism and into something else entirely This US edition contains a Preface for US readers and a new updated epilogue

role model a drug addict turned ultra runner and a crippledly shy teenager turned Hollywood mega star He also delves into the upsides of the so called Dark Triad of personality traits narcissism Machiavellianism and psychopathy and how we might exploit their advantages without ourselves going over to the dark side Filled with quizzes and interactive exercises to help us better understand the various aspects of our personalities life stories and passions Be Who You Want will appeal to anyone who has ever felt constrained by how they've been characterized and wants to pursue lasting change The Global Impact of Religious Violence Andre Gagne, Spyridon Loumakis, Calogero A. Miceli, 2016-10-25 Acts of terror are everywhere Not one day goes by without hearing about the latest suicide bomb in Baghdad knife stabbing in Germany or shooting spree in France or in the United States A Christian extremist preacher claims that homosexuals deserve to die because he considers their lifestyle to be sinful groups like ISIS perpetrate genocide against religious minorities and call for global jihad against infidels Buddhist monks in Myanmar persecute the Rohingya for fear that the Muslim minority destroy their country and religion All these actions seem to be somehow religiously motivated where the actors claim to act in accordance with their beliefs In the midst of this spiral of violence seen across traditions and geographical locations there is a pressing need to understand why people act as such in the name of their faith The Global Impact of Religious Violence examines why individuals and groups sometimes commit irremediable atrocities and offers some solutions on how to counter religiously inspired violence

In The Beauty Of Their Dreams Brenda Zosky Proulx, 2022-01-26 The Universal Declaration of Human Rights guarantees all the world's people the right to life liberty protection against cruelty and torture and equal justice before the law So why then is our world so broken In the Beauty of Their Dreams follows the story of three extraordinary women leaders and long time friends who use their power to say enough Enough of the abuse and exploitation of the weak and helpless by the rich and powerful Enough of the ruthless power mongering that destroys the lives of ordinary people With the world on the edge of revolutionary change a shocking act of violence catapults Olivia Newman reluctantly into the role of Prime Minister There she is thrown into the bare knuckle world of macho governing Her crusading daughter Sarah opens her mother's eyes to the urgent need for change and a radical plan to put the world's future into women's hands In the Beauty of Their Dreams is a page turning novel that looks ahead to a woman led revolution that is much more than just a utopian dream In the long history of humankind and animal kind too those who learned to collaborate and improvise most effectively have prevailed Charles Darwin *Why People Radicalize* Kees Van Den Bos, 2018-09-03 In Why People Radicalize Kees van den Bos argues that if we want to truly understand radicalization and prevent attenuate and fight violent extremism and terrorism we must pay attention to what is driving the radicalization process This implies that we should systematically

analyze how radicalizing persons interpret the world For example perceptions that certain situations are fundamentally unfair and hence need to be changed are among the core issues that drive Muslim right wing and left wing radicalization Furthermore experiences and perceptions of unfairness and injustice can tempt those who struggle with self control to break the law and engage in violent extremist and terrorist behavior Why People Radicalize is among the first attempts to provide a systematic integrative and in depth analysis of the psychology of unfairness judgments and the ways these judgments impact on various radicalization processes Discussing several conceptual and practical implications that follow from this line of reasoning the book emphasizes the role of careful scientific thought and the notion of taking individuals seriously as judgments of unfairness are not merely perceptions They feel genuine to the persons forming the judgments This volume discusses in detail how these radicalization processes can develop and what components are of pivotal relevance in these processes Accessible for scientists professionals and practitioners the book explains how uncertainty and insufficient self corrections influence this process Finally the book delineates future research issues on radicalization extremism and terrorism and applies the analysis to appropriate legal contexts making the book relevant for policy and decision makers among others
