Radical Disciples Paul Beasley-Murray,1996-04-01 *This Is My Story* Paul Beasley-Murray,2018-06-28 *This Is My Story* is an unusually fascinating account of one man's life. It is a story of the making of a man initially written with grandchildren in mind. Who was my grandfather? What kind of person was he? At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim. At yet another level it is a story of the making of a leader who never stopped learning how to lead, care, preach and engage in effective mission. Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor. Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story. This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader.

Radical Disciples Paul Beasley-Murray,2005 Baptism and the Baptists Anthony R. Cross,2017-06-20 Since its first publication in 2000 *Baptism and the Baptists* has become the definitive work on the subject. It examines the theology and practice of believers baptism among twentieth century Baptists associated with the Baptist Union of Great Britain and identifies the major influences which have led to its development. In the nineteenth and early twentieth century the majority of Baptists concentrated predominantly on the mode and subjects of baptism immersion and believers understanding the rite merely as an ordinance the believer's personal profession of faith in Christ. However in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically. This sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty first century among Baptists not just in Britain but also in North America Europe and further afield. Flourishing in Tensions Michael Bräutigam,2022-09-09 Following Jesus Christ presents unique challenges to disciples today. In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today. Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus's radical call into discipleship. This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him. Jesus's call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them. By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples. This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ's radical call into discipleship today. achievement together with a key to the location of the original biographical notes **Josh McDowell's Youth Ministry Handbook** Zondervan, 2000-10-10 Drawing on the wisdom of insightful leaders around the country Josh McDowell's Youth Ministry Handbook equips youth workers to help kids connect with God and with their parents their peers and a world in need of Christ Featuring articles from Dawson McAllister Barry St Clair Jim Burns Tony Campolo Al Menconi John Maxwell George Barna and others this is an invaluable leadership resource with practical useful ideas for today's youth workers

New Testament Theology in a Secular World, 2012-01-26 The first book to apply constructivist theory to biblical studies

New Testament Theology in a Secular World Peter Lampe, 2012-01-26 New Testament Theology in a Secular World is an important and original new work in Christian apologetics It is the first book to apply constructivist theory to biblical studies Biblical Studies scholar Peter Lampe tackles head on such questions as What do we understand by reality How does this relate to what theology calls the reality of God or the reality of resurrection How can we account for the concept of revelation Lampe argues that in talking about reality theologians must make an effort to engage with the concept of reality as it is discussed in the fields of philosophical epistemology and sociology of knowledge However as Lampe shows Theology has so far hardly or only reluctantly participated in this dialogue
