Colia, 2015-12-18 I was driving on a graveled road leaving a trail of dust behind me and singing at the top of my voice I was rounding a very tall for Kansas kind of hill It was one of those curves that seemed to go on forever I wasn't paying much attention to the road or as it turned out to my mom's flying signals either That changed abruptly when suddenly my mom was flying low and straight at me We were eye

to eye I could see her laughing as we locked eyes Now I understand why my pony Silver didnt care for this Mom was very careful as she flew right over the hood and roof of the car She dropped a flag from her automatic flagman mounted on the right wing In retrospect it was a marvel that I didnt crash On the other hand this was pretty par for my mom I came by this naturally guys This proves it The good news is that I got her message I was approaching an otherwise unmarked turn that I needed to make and Mom just wanted to get my attention so I didnt miss it Mission accomplished Laundry necessary **You Can't Go Home Again** Jeanette Bears,2024-08-13 Julia Martin is a thriving physical therapist and gym owner with a steady relationship and even a dog Her life is uncomplicated simple and fun even if she sometimes feels like she s missed out by never leaving the Midwest town she grew up in That is until a heartbreak from her past comes crashing back into her world and everything starts to spin into motion and out of control Raegan Holcolm thought all they wanted was a proud military career and that s what they had But a sudden injury sends them back to their hometown with a wealth of pain both physical and emotional insecurities and the reality that the career they d chosen above all else has rejected them The first time they fell in love Rae left Jules behind For love to have a second chance they ll need to realize all along that home might have been a person just as much as a place **Echoes** Melinda Metz,2010-07-27 Can t believe she did that at four thirty I have to I hate this place Rae Voight is losing her mind When she walks down the halls of Sanderson Prep she hears voices even when no one is talking Other people s thoughts crowd her head a confusing tangle of insecurities and dark secrets Just when Rae reaches her breaking point one voice comes screaming through the din loud and clear Rae must die If Rae doesn t figure out who the thought belongs to soon she could lose more than just her sanity **A Mythical Case of Arson** Melissa Erin Jackson,2024-05-10 Just when she thinks her day can t get any weirder she finds a baby dragon Deandra Hendricks works her fingers to the bone at two jobs to keep her Los Angeles apartment With a rapidly dwindling savings account the prospects for her future are bleak So when her cousin invites her to visit Axia the hidden magical hub their grandparents retired to she agrees Deandra doesn t possess a stitch of magic herself but a long weekend vacation in a strange new town might be just what she needs Her first day in Axia is so bizarre though she wonders if her bleak life in Los Angeles hasn t been so bad after all And just when she thinks her day can t get any stranger she finds a baby dragon trapped in a dumpster At a loss she takes a trip to the vet hoping they can help find the little guy s owner The dragon it turns out only appears in its true form to her while everyone else sees a dire wolf puppy She and the vet discover that as long as the dragon wears his bespelled collar his true identity is hidden Someone went to great lengths to keep this supposed to be extinct animal a secret Then the dog is accused of arson and is seized by authorities Determined to help him Deandra searches for the real arsonist She catches wind of a thriving black market that s populated by those who would stop at nothing to claim an animal this rare She must work quickly to clear her dragon s name because if he falls into the wrong hands she could lose him forever
