Christ vs. Satan in Our Daily Lives Fr. Robert Spitzer S.J., 2020 Spiritual Writer theologian and philosopher Fr Robert Spitzer S J tackles the topic of recognizing and overcoming spiritual evil His focus is the human heart His goal our spiritual and moral transformation which leads to true peace and genuine happiness The book is divided into two main parts 1 the realities of God s goodness and of spiritual evil and 2 recognizing and overcoming the diabolical tactics of deception temptation and sin The author synthesizes the best advice given by Catholic spiritual masters throughout the ages and gives a practical guide to implementing it in our busy lives Father Spitzer provides the biblical and theological background of Jesus victory over evil He also explores the reality of the devil including extraordinary manifestations of diabolic activity such as possession With insights from modern psychology

he shows how prayer can transform the subconscious psyche making us better able to resist temptation detach from the world and grow in holiness Calvin and the Federal Vision Jeong Koo Jeon,2009-06-12 John Calvin 1509 64 was the pinnacle of the sixteenth century Protestant Reformation in Europe As we celebrate the five hundred year anniversary of his birth it is worthy to explore Calvin s covenant theology which may be one of the best windows to understand and evaluate his theology as a whole In recent years the Federal Vision has been surfaced in the American conservative Reformed and evangelical circles It has strong hermeneutical theological and practical attachment with Calvin Although Calvin was a covenant theologian he firmly maintained the evangelical distinction between law and gospel especially in his exposition of justification by faith alone sola fide and salvation by grace alone sola gratia with a balanced emphasis of believers covenantal obedience Moreover we will find out that Calvin not only applied the distinction between law and gospel to soteriology but also in the depiction of redemptive history In Calvin the distinction between law and gospel was foundational for the depiction of biblical vision of eschatology in the Garden of Eden before the Fall and under the Old Covenant However the exponents of the Federal Vision deny any validity of the distinction between law and gospel in hermeneutics theology and practice while they identify themselves with those of Calvin In that sense we may identify the Federal Vision not with the Protestant Reformation and Calvin but as consistent monocovenantalism in which they deny the distinction between law and gospel and apply that monocovenantal principle consistently to their understandings of hermeneutics soteriology the doctrine of double predestination and sacramental theology **Was Frankenstein Really Uncle Sam?
