conglomerate that produced sugar paper and fertilizer located in a backward country with a third world economy With the rise of the PC revolution though Chairman Lee Byung chul began a bold experiment to make Samsung a major supplier of computer chips The multimillion dollar plan was incredibly risky But Lee wowed by a young Steve Jobs who sat down with the chairman to offer his advice became obsessed with creating a tech empire And in Samsung Rising we follow Samsung behind the scenes as the company fights its way to the top of tech It is one of Apple s chief suppliers of technology critical to the iPhone and its own Galaxy phone outsells the iPhone Today Samsung employs over 300 000 people compared to Apple s 80 000 and Google s 48 000 The company s revenues have grown more than forty times from that of 1987 and make up more than 20 percent of South Korea s exports Yet their disastrous recall of the Galaxy Note 7 with numerous reports of phones spontaneously bursting into flames reveals the dangers of the company s headlong attempt to overtake Apple at any cost A sweeping insider account Samsung Rising shows how a determined and fearless Asian competitor has become a force to be reckoned with

Goldfayn, 2012-01-03 In Evangelist Marketing Alex Goldfayn argues that technology companies succeed in spite of their marketing not because of it He says that if consumer tech makers ceased all marketing activity today they would not see a significant decline in sales In this book Alex presents why the current state of overly technical features oriented tech marketing branding communications and public relations is costing the industry billions of dollars easy money that s voluntarily being left on the table Then he lays out a step by step system for creating intensely loyal brand evangelists based on deep consumer insights and simple emotional language Evangelist Marketing is written for consumer tech companies big and small from PC manufacturers to Web based services It s also sure to improve the work of their marketing and public relations agencies
