Customer-Driven Disruption Suman Sarkar,2019-09-03 Businesses worry about new technologies but customers are the ultimate disruptors Suman Sarkar offers bold strategies for making sure you understand your customers and keep up with their ever changing needs Disruption the brutal roiling of markets the decline of long established brands and products and the rise of new upstarts drives business failure and success Most people think technology causes disruption but technology merely enables it Changing customer needs cause disruptions and too many businesses get caught unaware Suman Sarkar offers proven strategies that will enable any business to stay radically close to its customers and address their evolving needs He argues that businesses need to focus on existing customers first research shows they re likely to spend more and are more profitable than new customers Personalization is becoming important for the newer generations in both developed and developing markets so Sarkar describes approaches to make them cost effective In our era of instant gratification customers want what they want now Sarkar explains how you can develop and deliver products and services faster than ever And since a few bad Yelp reviews social media posts or angry tweets from customers can ruin you Sarkar shows how to proactively make sure the quality of your products and services stays better than that of your competitors The key to survival in this era of changing customer needs is to focus on and address them

quickly so customers don't switch to the competition. Drawing on his experiences with leading companies worldwide, Sarkar offers five strategies and techniques that will keep you ahead of the curve. *Service Excellence in Tourism and Hospitality* K. Thirumaran, Dirk Klimkeit, Chun Meng Tang, 2021-01-20. Service operations management in the tourism and hospitality industry requires a high level of coordination, communication, and facilitation to satisfy visitors. In all of these activities, service excellence means a lot to visitors in terms of their experience, and to the business, it means repeat customers and word of mouth marketing. Based on fresh empirical evidence from the field, this book captures the different approaches and challenges to service excellence in the Asian tourism and hospitality industry. Focusing on hotels, attractions, transport providers, and other segments in tourism and hospitality, this book presents new case studies, underlining and detailing global and local travel industry practices. The book is meant as a reference and supplementary reading for students, researchers, and industry practitioners.
