

MARK SCHEME for the October/November 2014 series

0510 ENGLISH AS A SECOND LANGUAGE

0510/21

Paper 2 (Reading and Writing – Extended),
maximum raw mark 90

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2014 series for most Cambridge IGCSE[®], Cambridge International A and AS Level components and some Cambridge O Level components.

English in Business and Commerce Tamah Sherman, Jiri Nekvapil, 2018-05-07 This volume fills an important gap in exploring English in the domains of business and commerce through the prism of sociolinguistics and the sociology of language as opposed to analyzing business genres or taking a linguodidactic approach It expands the regional coverage of English in Europe with several studies based in Central Europe and also considers contexts which interact with Europe even though they are physically outside of it Asia Africa It addresses English as just one of several languages at play in the ecology of the countries It focuses not only on the position of languages as declared in documents of various organizations that is language policy but also everyday linguistic practices as observed in business contexts that is interactions The studies are divided into three thematic areas ideologies and discourses on English in the business sphere the management of English in business and organizational contexts and English and other languages on local and international labor markets It will be of interest to readers concerned with multilingualism in the economic sphere and the workplace and the interplay between macro and micro levels during the management of communication in organizations The Handbook of World Englishes Cecil L. Nelson, Zoya G. Proshina, Daniel R. Davis, 2020-01-15 The Handbook of World Englishes is a collection of articles on the cross cultural and transnational linguistic convergence and change of the English language Now in its second edition this Handbook brings together multiple theoretical contextual and ideological perspectives and offers new interpretations of the changing identities of world Englishes WE speakers and examines the current state of the English language across the world Thematically integrated contributions from leading scholars and researchers explore the expansion modification and adaptation of English in various settings and discuss the role of English in local regional and global contexts This highly regarded text has been fully updated throughout the new edition to reflect the current conditions contexts and functions of major varieties of English across the world Significant revisions to topics such as an overview of the varieties of modern world Englishes and the First Diaspora in Wales and Ireland reflect expanded scholarship in the field and new directions of research Each chapter from the first edition has been updated in content and citations while 11 new chapters cover subjects including world Englishes testing and Postcolonial theory as well as world Englishes in South America Russia Africa China Southeast Asia the United States and Canada The Handbook of World Englishes is an essential resource for academics researchers practitioners and advanced students in fields including applied linguistics language teaching the history of the English language world literatures and related social and language sciences *The Comic Everywoman in Irish Popular Theatre* Susanne Colleary, 2018-12-30 This book is a comprehensive study of comic women in performance as Irish Political Melodrama from 1890 to 1925 It maps out the performance contexts of the period such as Irish poor theatre both reflecting and complicating narratives of Irish Identity under British Rule The study investigates the melodramatic aesthetic within these contexts and goes on to analyse a selection of the melodramas by the playwrights J W Whitbread and P J Bourke In

doing so the analyses makes plain the comic structures and intent that work across both character and action foregrounding comic women at the centre of the discussion Finally the book applies a practice as research dimension to the study Working through a series of workshops rehearsals and a final performance Colleary investigates comic identity and female performance through a feminist revisionist lens She ultimately argues that the formulation of the Comic Everywoman as staged Comic identity can connect beyond the theatre to her Everyday self This book is intended for those interested in theatre histories comic women and in popular performance

Alleviative Objects David Frohnappfel, 2020-12-07 The global field of contemporary art is shaped by inter racial conflicts Alleviative Objects approaches Caribbean art through intersectional entanglements and combines decolonial epistemologies with critical whiteness studies and affect theory in order to rethink Euro and U S centric perspectives on art race and class David Frohnappfel shows how progressive racism in the discourse on Haitian art recenters Whiteness by performing benign innocent and heroic identifications with the artist group Atis Rezistans While the study turns critically towards Whiteness it also turns away from it and towards the compelling contributions of Haitian curators and artists to the decentralization of contemporary art
