Odu Ifa The Ethical Teachings:

Odù Ifá Maulana Karenga, 1999 *Maat, the Moral Ideal in Ancient Egypt* Maulana Karenga, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company Dispatches from the Ebony Tower Manning Marable, 2000 What constitutes black studies and where does this discipline stand at the end of the twentieth century In this wide ranging and original volume Manning Marable one of the leading scholars of African American history gathers key materials from contemporary thinkers who interrogate the richly diverse content and multiple meanings of the collective experiences of black folk Here are numerous voices expressing very different political cultural and historical views from black conservatives to black separatists to blacks who advocate radical democratic transformation Here are topics ranging from race and revolution in Cuba to the crack epidemic in Harlem to Afrocentrism and its critics All of these voices however are engaged in some aspect of what Marable sees as the essential triad of the black intellectual tradition describing the reality of black life and experiences critiquing racism and stereotypes or proposing positive steps for the empowerment of black people Highlights from *Dispatches from the Ebony Tower* Henry Louis Gates Jr and Manning Marable debate the role of activism in black studies John Hope Franklin reflects on his role as chair of the President's race initiative Cornel West discusses topics that range from the future of the NAACP through the controversies surrounding Louis Farrakhan and black nationalism to the very question of what race means Amiri Baraka lays out strategies for a radical new curriculum in our schools and universities Marable's introduction provides a thorough overview of the history and current state of black studies in America **Encyclopedia of Black Studies** Molefi Kete Asante, Ama Mazama, 2005 In the 1960s Black Studies emerged as both an academic field and a radical new ideological paradigm Editors Molefi Kete Asante and Ama Mazama Black Studies Temple U both influential and renowned scholars have compiled an encyclopedia for students high school and beyond and general readers It presents analysis of key individuals events a *Maulana Karenga* Molefi Kete Asante, 2013-04-24 In this book the most prolific contemporary African American scholar and cultural theorist Molefi Kete Asante leads the reader on an informative journey through the mind of Maulana Karenga one of the key cultural thinkers of our time Not only is Karenga the creator of Kwanzaa an extensive and widespread celebratory holiday based on his philosophy of Kawaiida he is an activist scholar committed to a dignity affirming life for all human beings Asante examines the sources of Karenga's intellectual preoccupations and demonstrates that Karenga's concerns with the liberation narratives and mythic realities of African people are rooted in the best interests of a collective humanity The book shows Karenga to be an intellectual giant willing to practice his theories in order to manifest his intense emotional attachment to culture truth and justice Asante's enlightening presentation and riveting critique of Karenga's works reveal a compelling account of a thinker whose contributions extend far beyond the Academy Although Karenga began his career as a student activist a civil rights leader a Pan Africanist and a culturalist he ultimately succeeds in turning his fierce commitment to truth toward dissecting political social and ethical

issues Asante carefully analyzes Karenga's important works on Black Studies but also his earlier works on culture and his later works on ethics such as *The Kunta Kinte Saga* and *Odu Ifa The Ethical Teachings* *Isese Spirituality Workbook* Ayele Kumari, 2020-06-23 Ifa Orisa Spirituality is an ancestral wisdom tradition steeped in nature and West African history Isese Ee Shay Shay refers to tradition in Ifa spirituality and refers to the wisdom passed down from our ancestors and spiritual progenitors Descendants from the African Diaspora displaced during the Trans Atlantic Slave trade are seeking to return back to our indigenous nature based roots for empowerment and spiritual transformation The Isese Workbook offers a wealth of information personal rituals and exercises that can be done right now to begin to tap this expansive spiritual system whether or not a mentor has been found It will also offer new practical tools for those who are already devotees of the tradition to deepen their understanding The workbook is specifically designed for inner work including exercises and rites drawn from traditional practices in Africa but also embraces the evolution of that understanding to be useful and relevant for the 21st Century African Diaspora population In the Isese Spirituality Workbook you will learn About your unique spiritual anatomy and physiology based on Isese and Ifa The power of your Ori and its influence in shaping your destiny The Pillars of Isese foundations in Ori Egun and Egbe The role in Iwa or Character in spiritual evolution and healing About Asaro meditation and how to use it to cultivate inner peace and healing How to cultivate a relationship with your ancestors healing generational trauma About Egbe your spiritual support system soul family multidimensional worlds The role of divination in securing answers and how to use a simple method to gain immediate direction and guidance Sacred verses in the Ancient Ifa literary corpus to give us timeless guidance Sacred technology using Ewe and easy to find items Frequently Asked Questions of Beginners How to begin the practice of Isese Ifa Orisa Spirituality in the West and more *The Global Intercultural Communication Reader* Molefi Kete Asante, Yoshitaka Miike, Jing Yin, 2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non Eurocentric approach to the study of culture and communication In this expanded second edition editors Molefi Kete Asante Yoshitaka Miike and Jing Yin bring together thirty two essential readings for students of cross cultural intercultural and international communication This stand out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity including work from authors across the globe examining the processes and politics of intercultural communication from critical historical and indigenous perspectives The collection covers a wide range of topics the emergence and evolution of the field issues and challenges in cross cultural and intercultural inquiry cultural wisdom and communication practices in context identity and intercultural competence in a multicultural society the effects of globalization and ethical considerations Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today's students of intercultural communication

Encyclopedia of African Religion Molefi Kete Asante, Ama Mazama, 2009 Collects almost five hundred entries that cover the African response to spirituality taboos ethics sacred space and objects

Engines of the Black Power Movement James L. Conyers, Jr., 2006-12-26 The decade of the 1960s was an era of protest in America and strides toward racial equality were among the most profound effects of the challenges to America's status quo But have civil rights for African Americans been furthered or even maintained in the four decades since the Civil Rights movement began To a certain extent the movement is popularly perceived as having regressed with the real issues tabled or hidden With a view to assessing losses and gains this collection of 17 essays examines the evolution and perception of the African American civil rights movement from its inception through today

If We Must Die Karin L. Stanford, 2008 If We Must Die African American Voices on War and Peace reflects the full range of thought by African Americans on the major wars fought by the United States The book includes African American perspectives on 10 wars from the Revolutionary War to the current War in Iraq

Black Families Harriette Pipes McAdoo, 2007 Publisher Description

Black Cultural Mythology Christel N. Temple, 2020-04-01 Offers a new conceptual framework rooted in mythological analysis to ground the field of Africana cultural memory studies Black Cultural Mythology retrieves the concept of mythology from its Black Arts Movement origins and broadens its scope to illuminate the relationship between legacies of heroic survival cultural memory and creative production in the African diaspora Christel N Temple comprehensively surveys more than two hundred years of figures moments ideas and canonical works by such visionaries as Maria Stewart Richard Wright Colson Whitehead and Edwidge Danticat to map an expansive yet broadly overlooked intellectual tradition of Black cultural mythology and to provide a new conceptual framework for analyzing this tradition In so doing she at once reorients and stabilizes the emergent field of Africana cultural memory studies while also staging a much broader intervention by challenging scholars across disciplines from literary and cultural studies history sociology and beyond to embrace a more organic vocabulary to articulate the vitality of the inheritance of survival This book not only offers a new and exciting theoretical concept it also applies that concept to texts in unique and different ways With this theoretical lens we can read and see texts memories and ideas in new ways The author examines an almost dizzying array of cultural and historical moments scholars artists and activists and provides new lenses through which to read them as well This is a brilliant and much needed addition to the academic and cultural conversation

Georgene Bess Montgomery author of *The Spirit and the Word A Theory of Spirituality in Africana Literary Criticism*

The Handbook of Global Interventions in Communication Theory Yoshitaka Miike, Jing Yin, 2022-03-11 Moving beyond the U S Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to

diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science Not Only the Master's Tools Lewis R. Gordon, Jane Anna Gordon, 2015-11-17 Not Only the Master's Tools brings together new essays on African American studies It is ideal for students and scholars of African studies philosophy literary theory educational theory social and political thought and postcolonial studies *Afrikan Wisdom* Valerie Mason-John, 2021-07-20 A spiritual political and interdisciplinary anthology of wisdom stories from Black liberation leaders and teachers *Afrikan Wisdom* represents an intersectional cross pollinated exploration of Black life past present and future Award winning author and editor Valerie Mason John Vimalasara's collection of 34 essays written by an eclectic and inspirational group of Black thought leaders and teachers reflects on the unique and multilayered experience of being Black in the world today This anthology instills in readers the knowledge awareness validation and spiritual tools necessary to nurture both individual and collective liberation It is both an inspiration and a motivation for Black readers as well as anyone else interested in reading about emerging spiritual voices Topics include African and Afro Diasporan cultures histories spiritualities art music and literature Black radical traditions of liberation and consciousness Anticolonialism and antislavery Buddhist philosophy Social and environmental justice The prison industrial complex and mass incarceration Kemeti yoga healing and mindfulness Intersections with Indigenous cultures Addiction and recovery Transgenerational trauma **An Ethos of Transdisciplinarity** Sanya Osha, 2025-04-01 Toyin Falola's astounding intellectual production must be one of the mysteries in the intellectual world It has transcended the confined world of historical research into broader horizons that include the role of the public intellectual The present study would undertake a rigorous analysis of the origins continuities and discontinuities of this transformation This means we have to recast the debates regarding who is a public intellectual from a multiplicity of discursive situations and historical and cultural contexts We have to employ methodological parallels from North Atlantic intellectual traditions How did the role of the public intellectual emerge in the first place in world intellectual history Addressing this question would enrich this research endeavour immensely In interrogating comparative discursive formations we shall re evaluate the roles functions and achievements of continental intellectuals such as Bertrand Russell Jean Paul Sartre Andre Malraux Albert Camus Michel Foucault Edward Said Wole Soyinka and Pierre Bourdieu Again this discursive element will give this study a global appeal and range **Understanding African American Rhetoric** Ronald L. Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter

of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **Du Bois's**

Dialectics Reiland Rabaka, 2009-01-01 With chapters that undertake ideological critiques of education religion the politics of reparations and the problematics of black radical politics in contemporary culture and society Du Bois s *Dialectics* employs Du Bois as its critical theoretical point of departure and demonstrates his and Africana Studies contributions to as well as contemporary critical theory s connections to critical pedagogy sociology of religion and reparations theory Rabaka offers the first critical theoretical treatment of the W E B Du Bois Booker T Washington debate which lucidly highlights Du Bois s transition from a bourgeois black liberal to a black radical and revolutionary democratic socialist *Africana Critical Theory* Reiland Rabaka, 2009-01-16 Building on and going far beyond W E B Du Bois and the Problems of the Twenty First Century and Du Bois s *Dialectics* Reiland Rabaka s *Africana Critical Theory* innovatively identifies and analyzes continental and diasporan African contributions to classical and contemporary critical theory This book represents a climatic critical theoretical clincher that cogently demonstrates how Du Bois s rarely discussed dialectical thought interdisciplinarity intellectual history making radical political activism and world historical multiple liberation movement leadership helped to inaugurate a distinct Africana tradition of critical theory With chapters on W E B Du Bois C L R James Negritude Aime Cesaire and Leopold Senghor Frantz Fanon and Amilcar Cabral *Africana Critical Theory* endeavors to accessibly offer contemporary critical theorists an intellectual archaeology of the Africana tradition of critical theory and a much needed dialectical deconstruction and reconstruction of black radical politics These six seminal figures collective thought and texts clearly cuts across several disciplines and therefore closes the chasm between Africana Studies and critical theory constantly demanding that intellectuals not simply think deep thoughts develop new theories and theoretically support radical politics but be and constantly become political activists social organizers and cultural workers that is folk the Italian critical theorist Antonio Gramsci referred to as organic intellectuals In this sense then the series of studies gathered in *Africana Critical Theory* contribute not only to African Studies African American Studies Caribbean Studies Cultural Studies Gender Studies and Postcolonial Studies but also to contemporary critical theoretical discourse across an amazingly wide range of traditional

disciplines and radical political activism outside of and in many instances absolutely against Europe's ivory towers and the absurdities of the American academy Handbook of Black Studies Molefi Kete Asante, Maulana Karenga, 2006 Publisher
