Pathway to Excellence Dennis M. Docheff, 2011-03 The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique Coaching is teaching Therefore coaches must look at their teaching effectiveness in order to become better coaches In addition the athletic arena provides a wonderful opportunity for a Christian witness Often coaches find it difficult to form a marriage between their coaching and a Christian lifestyle This book intends to meld the two together providing clear effective teacher education and biblical advice to Christian coaches The book also provides selected scriptures from God's Word Can a Christian coach really make a difference How can one Christian coach save the world of sport Well first there is more than one Christian coach out there Second if there was only one Christian coach willing to go to battle with

Christ they would fight and win One coach plus Jesus equals a majority Recall that it appeared as though David didn't stand a chance when he went to fight Goliath David was not alone David knew that God would be with him Was he afraid Maybe but his faith in God was greater than his fear Hopefully this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior

Benefits Realisation Rasmus Rytter, 2022-04-25 Realise the full benefits potential from your change projects For most managers in steering committees of PMOs Project Management Office most projects are costly in both time and money and they often only reach a fraction of the expected benefits In Benefits Realisation The Change Driven Approach to Project Success renowned benefits realisation expert speaker and consultant Rasmus Rytter introduces a new approach to change projects where benefits realisation defines the design of the project and how it's led Once the project's benefits have been defined the key question for the project to answer is How might we help our colleagues change their behaviour Thus identifying behavioural change as the key driver of benefit realisation Step by step the book guides you on how to approach both benefit realisation and behavioural change as well as explain how it builds on the project and portfolio practices or SAFe Scaled Agile Framework you are already using Benefits Realisation also offers Elaborate real life case studies and examples that show the application of the new approach to benefits realisation and change on different projects Easy to use posters playbooks and facilitation guides for the most important activities and workshops Effective strategies for using benefits realisation to minimise project cost Compelling possibilities for executives to make far better strategic prioritization decisions based on credible data for project benefits and the real cost of change Perfect for project managers change managers PMO professionals and managers using agile frameworks Benefits Realisation will also earn a place in the libraries of executives and other business leaders at all levels of your organisation
