

Prayer to the Holy Trinity

*Glory be to the Father,
Who by His almighty power and love created me,
making me in the image and likeness of God.*

*Glory be to the Son,
Who by His Precious Blood delivered me from hell,
and opened for me the gates of heaven.*

*Glory be to the Holy Spirit,
Who has sanctified me in the sacrament of Baptism,
and continues to sanctify me
by the graces I receive daily from His bounty.*

*Glory be to the Three adorable Persons of the Holy Trinity,
now and forever.*

Amen.

decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified As a cradle Catholic father grandfather and amateur student of Mass I offer an assertion supported by my love of Catholicism logic and a book What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in school texts to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the most perfect way for man to praise and give thanks to God Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is an offering for the whole Mystical Body of Christ Is the highest form of prayer for the faithful Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Pope John Paul II Mass is Heaven on Earth What we celebrate on Earth is a mysterious participation in the heavenly liturgy If Catholics realized Mass is tantamount to Heaven on Earth would we be witnessing the greatest loss of faith in the history of the Catholic Church Emphatically No As one Priest opined We d have to double Masses and they d be SRO We would witness the greatest flood of student enrollment and Mass attendance since the inception of Catholicism in America We would have to double Catholic school classes and reopen shuttered schools and churches Catholics must reassess school CCD RCIA adult formation and domestic church catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Heaven on Earth The Order and Meaning of Mass Heaven on Earth second edition text for adults Curriculum for students and educators Workbook of lesson reviews for students Heaven on Earth is not a theological or academic treatise but a user friendly step by step guide to Mass for the faithful unlike anything available elsewhere Author s Promise You will never ever go to church attend Mass or receive Communion the same way again *Catalog of Victor Records* ,1917 **The Christian's Manual, of Faith and Devotion, Containing Dialogues and Prayers, Suited to the Various Exercises of the Christian Life ... Altarpieces and Their Viewers in the Churches of Rome from Caravaggio to Guido Reni PamelaM.

Jones,2017-07-05 A social history of reception this study focuses on sacred art and Catholicism in Rome during the late sixteenth and seventeenth centuries The five altarpieces examined here were painted by artists who are admired today Caravaggio Guercino and Guido Reni and by the less renowned but once influential Tommaso Laureti and Andrea Comodi By shifting attention from artistic intentionality to reception Pamela Jones reintegrates these altarpieces into the urban fabric of early modern Rome allowing us to see the five paintings anew through the eyes of their original audiences both women and men rich and poor pious and impious Because Italian churchmen relied after the Council of Trent on public altarpieces more than any other type of contemporary painting in their attempts to reform and inspire Catholic society it is on altarpieces that Pamela Jones centers her inquiry Through detailed study of evidence in many genres including not only painting prints and art criticism but also cheap pamphlets drama sermons devotional tracts rules of religious orders pilgrimages rituals diaries and letters Jones shows how various beholders made meaning of the altarpieces in their aesthetic devotional social and charitable dimensions This study presents early modern Catholicism and its art in an entirely new light by addressing the responses of members of all social classes not just elites to art created for the public It also provides a more accurate view of the range of religious ideas that circulated in early modern Rome by bringing to bear both officially sanctioned religious art and literature and unauthorized but widely disseminated cheap pamphlets and prints that were published without the mandatory religious permission On this basis Jones helps to illuminate further the insurmountable problems churchmen faced when attempting to channel the power of sacred art to elicit orthodox responses **Schools of**

Faith David Fergusson,Bruce McCormack,2019-01-10 Schools of Faith represents a diversity of essays from scholars in several continents The contributors all leading theologians and ethicists offer reflections on historical and contemporary themes which are significant for wider debates in theological education and church life in today s world The range of contributor and content provides a fitting tribute to the work of Iain R Torrance over many years Amid the numerous subjects discussed the authors focus on liturgy textual criticism public theology the ethics of war Christian doctrine divine action ecumenism inter faith dialogue spiritual formation the office of the minister and the interface between religion and literature

The multi faceted nature of this collection signifies its importance for historical systematic and practical theology “A” Manual for Christians, Containing Prayers and Holy Precepts, Selected from Catholic Authors, Confirmed by Examples; to Wich are Added Instructions for Youth and an Abridged Catechism ,1838 **The Book of Common Prayer [...] According to the Use of the Church of England ,1715** **The Eucharistic Liturgy** Jameson K. Pallikunnil,2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission
