Preaching Christ From The Old Testament:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the author's likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Preaching Christ from Psalms Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should, Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context. *Preaching Christ from the Old Testament* Sidney Greidanus, 2004 *Preaching Christ from the Old Testament*, 2018

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament. ***Preaching Christ from Ecclesiastes*** Sidney Greidanus, 2010-05-03 As Sidney Greidanus points out here, *Ecclesiastes* is especially relevant for our culture: the Teacher confronts enticements like materialism, secularism, hedonism, human autonomy, and self-sufficiency. But how can preachers convey these important teachings to their congregations in a helpful way? Sidney Greidanus here does preachers a great service by providing the foundations for one or more series of expository sermons on *Ecclesiastes*. He breaks the book down in several ways, including the boundaries of each preaching text, the text's theme and goal, various ways to move to Christ in the New Testament, detailed exposition of the fifteen literary units, and application for today.

Preaching Old Testament Narratives Benjamin H. Walton, 2019-03-21 There is no question that the Old Testament is foundational for the New Testament church But foundational or not it can be difficult for preachers to pin down useful resources for narrative texts within the Old Testament much less to skillfully preach those passages to their congregations Benjamin Walton provides the practical insight pastors need In one volume he demonstrates both the interpretive and homiletical skills necessary to preach Old Testament narratives well Walton guides the preacher through selecting a text which is a complete unit of thought describing the scene in a coherent way determining the theological message of the text and carefully crafting a meaningful take home truth He doesn't stop with discovering the core message the majority of the book focuses on delivering the message drawn from these narrative texts Walton's approach is not just theoretical It has been read and tested anonymously by groups of pastors and their feedback has been incorporated into the book This valuable resource will help preachers put all the pieces together have confidence in what they're imparting and maximize their preaching potential for Old Testament narratives
