Preaching 34579 Fred B. Craddock, 2010-09-01 A standard textbook on the art and craft of preaching Craddock weaves history theology and hermeneutics into an exhaustive text on sermon preparation and preaching Painstakingly prepared for seminary students and clergy this book answers the fundamental question How does one prepare and deliver a sermon Craddock s approach is practical but also allows for concentrated study of any particular dimension of the process Filled with practical wisdom A liberating book Richard Lischer Duke University

Homiletical Theology David Schnasa Jacobsen, 2015-02-13 Karl Barth famously argued that all theology is sermon preparation But what if all sermon preparation is actually theology This book pursues a thoroughgoing theological vision for the practice of preaching as a way of doing theology The idea is not just that homiletics is the realm of theological application That would leave preaching in the position of simply implementing a theology already arrived at Instead the vision in these pages is of a form of theology that begins with preaching itself its practice its theories and its contexts Homiletical theology is thus a unique way of doing theology even a constructive theological task in its own right Homiletician David Schnasa Jacobsen has assembled several of the leading lights of contemporary homiletics to help to see its task ever more deeply as theological yet in profoundly diverse ways Along the way readers will not only discover how homileticians do theology homiletically but will deepen the way in which they understand their own preaching as a theological task Contributors include Ronald J Allen Professor of Preaching and Gospels and Letters at Christian Theological Seminary John S McClure Charles G Finney Professor of Preaching and Worship at Vanderbilt Divinity School Alyce M McKenzie George W and Nell Ayers Le Van Professor of Preaching and Worship at Perkins School of Theology Southern Methodist University Michael Pasquarello III Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary Luke A Powery Dean of the Chapel and Associate Professor of the Practice of Homiletics at Duke University Teresa Stricklen Eisenlohr Ph D Associate for Worship Office of Theology and Worship at the Presbyterian Church U S A

Preach It! Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching Preach It encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches Preach It reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts

Preaching and Praying as Though God Matters Ronald P. Byars, 2022-10-14 We in mainline churches are uneasy maybe even scared Why are our voices not heard After all we are the reasonable Christians the updated Christians the respectable ones who have dominated the cultural landscape since colonial times This book presumes that trying to reverse the loss of our traditional status in society is both futile and beside the point What is called for when we find ourselves in a state of crisis is to rediscover the big picture the Christian hope projected on a large screen This requires the courage to revisit the sources from which all Christian hope springs rediscovering their life giving power That power rises from the counterintuitive affirmations of the gospel represented in Christ's incarnation his healing the afflicted his raising the dead his vulnerability his cross resurrection and universal restoration Acts 3:21 Preaching and worship that embodies and lifts up the hard parts the life giving parts is neither fundamentalist nor an exercise in nostalgia It is rather evidence of confidence in the triune God who makes the unknowable known The Good Shepherd promised My sheep hear my voice I know them and they follow me John 10:27 And when they do they will

Louis Martyn, 2005-12-01 The fruit of decades of research the picture of Paul that Martyn paints in this major work is arresting both horrified and thankful to find in the crucifixion of God's Christ the death of the old cosmos and the birth of the new one Paul was able to pre

Normativity and Empirical Research in Theology Johannes A. van der Ven, Michael Scherer-Rath, 2004-11-01 The idea for this volume originates from the first meeting of the International Society of Empirical Research in Theology ISERT in 2002 at the Radboud University Nijmegen In this volume researchers and academics from South Africa Great Britain Switzerland Germany and the Netherlands debate about the fundamental question of the role of theological normativity in empirical research in theological fields In fourteen contributions this book would like to illuminate the significance of this central topic for the discipline of practical theology The first part of the book provides a discussion about the empirical character of practical theology and the consequences for scientific research in theological fields The second part deals with the normative implications of empirical research It is

shown with the help of concrete research projects that empirical research is possible in practical theology and that theology works normatively in empirical research

To Meddle with Matters of State Christoph Ketterer, 2020-03-09 Die Studie analysiert die politische Dimension protestantischer und römisch-katholischer Predigten an den Höfen von Karl II 1660 1685 und Jakob II 1685 1688 89 vor dem englischen Parlament und in den Kirchen Londons Vor dem Hintergrund ungelöster politischer und konfessioneller Spannungen nach der Restauration suchten Predigten mit Kritik an Machthabern und deren Beratung Einfluss auf den religiösen und politischen Diskurs zu nehmen Das Verhältnis von geistlicher und weltlicher Macht sowie der Umgang mit der multikonfessionellen Situation in England sind dabei zentrale Themen Das Vorhandensein einer differenzierten Rezeptionskultur für die Predigten als einmalige Aufführung und als Texte bedeutsam waren zeigt die fortbestehende Wichtigkeit der Predigt in der Restauration In this volume Christoph Ketterer analyses political preaching during the reigns of Charles II 1660 1685 and James II 1685 1688 89 He argues that the political importance of sermons preached at court before Parliament and in the churches of London is based on the unsolved political and confessional tensions of the era Preachers relatively freely discussed questions of religious tolerance models of political power and could offer counsel and criticism to those in power They were in a position to influence the political and religious discourse of Restoration England In addition a refined culture of reception existed and listeners readers as well as preachers were acutely aware of the sermon genre's performative dimension Sermons therefore continued to be of central importance for the political and religious discourse of the Restoration

Kairos Preaching David Schnasa Jacobsen, Robert Allen Kelly, Although lectionary and worship allow us to deepen our appreciation for the Bible and the themes and emphases of the Christian calendar they sometimes fail to allow preachers to speak the gospel directly to the situations that occupy their congregations This book is designed to help pastors and seminarians discover resources they already have to unpack situations and understand them theologically in light of their task of preaching the gospel

The Fully Alive Preacher Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher's daily life He invites preachers to discover how preaching can be renewing rather than draining

Preaching John F. The School of God Raymond A. Blacketer, 2007-04-03 Calvin's Old Testament Exegesis in Context Calvin in Context Jean Calvin the reformer and pastor of Geneva is renowned as one of the most important figures in what came to be known as the Reformed and Presbyterian branch of the Protestant Reformation Perhaps less well known is the fact that he devoted the bulk of his creative efforts to preaching lecturing and commenting on the Bible Calvin envisioned a program of reform in Geneva in which the Bible properly interpreted would shape the minds and morals of the Genevan populace The people of Geneva whom Calvin viewed as a precise spiritual reincarnation of the stiff-necked intractable Hebrews of the Old Testament were in need of some serious remedial education

and it was his duty as their chief minister to provide the requisite training in doctrine and godliness Despite Calvin s emphasis on preaching and producing biblical commentaries however scholars have often portrayed him as a man of one book that one book being the Institutes of the Christian Religion In so doing they have produced a one dimensional and consequently incomplete view of Calvin s theological work Scholars have tended to study Calvin s theology exclusively from the perspective of his Institutes without taking into account his work of biblical interpretation and preaching or the relationship of those efforts to the Institutes

Preaching That Makes the Word Plain William Clair Turner, 2008-03-15 This work includes essays in preaching method and a series of sermons on Romans 10 a mini treatise on preaching It reflects on the tasks of preaching and teaching preaching as a form of communication that is critical to the life of the church Despite the numerous existing volumes useful texts are still needed The quest is for methods of preparation that can be applied with consistency and that suggest habits for labor which can be tedious or cause tasteless outcomes The volume is intended as a contribution to replenishing voices that already have spoken ably and eloquently It is located in the praxis of one who preaches with weekly regularity while at the same time teaching homiletics It aims at absorbing and synthesizing proven methods while relating them to a generation that lives in the tensions of faithfulness to the gospel of Jesus Christ the decline of a Christian consensus in the culture the rise of secularism and competition from other religions Added to that is the challenge of vying for space in the public sphere with countless social prophets such as talk show hosts radio commentators screen writers and entertainers with various agendas What one finds in the following pages is a venture of service to the newly called the fledgling preachers the veterans as well as those who teach It dares to challenge proverbs like It is better caught than taught or Those who know don t tell and those who tell don t know It risks a word in an attempt to speak reflectively about a task that is daunting to the novice and as near to a veteran as a second skin It is a brazen attempt to step out of comfortable skin to tell another how it feels from the inside It hazards a gesture to say how to do the work with confidence without becoming arrogant How do you scratch the pad or go to a blank computer screen from week to week By what means does one glean and give a fresh word before the exhaustion of delivering the last word has abated Web sites that supply sermons are in the public domain and can easily be discovered The challenge for those who mount the pulpit from week to week does not relent The labor reflected in these pages is born of the bias that all preaching can be improved with study reflection and critical assistance
