The History of the Progressive Movement in the United States and How Liberalism Has Created a Mediocre Society

Ralph E Saucier, 2021-09-27 Being raised in the 50s a lot of us have seen how the country has changed when you see that a Chevy that would cost 1500.00 is now over 35,000.00. Yeah I know some say inflation can't be helped technology cost more material cost more there are more exotic materials and they last longer. Maybe but where does it stop? When will politicians of both parties begin to understand and realize what is going on? Questions for my fellow Americans: 1. When will the deficit stop? 2. Consumers don't know if and when inflation will stop the deficit and will it break the American taxpayer? Inflation is what pays off the deficit. 3. When will the liberals realize there is no more money to pay off debts? 4. America cannot keep printing money and expect to have a strong economy. 5. Is the United States headed towards a socialist form of government and a one party system?

The Handbook of Policy Practice Ira C. Colby, 2018-01-29 All social work practice is regulated by social policies. Professionals however cannot arbitrarily select which policy to follow in any circumstance. Knowing what comprises a given policy is essential but equally important is understanding how to amend a policy by applying unique skills that reflect the social work profession's shared values and beliefs. Recognizing that a series of interdependent social policies govern every aspect of social work in both nonprofit and public organizations, this practice-specific textbook focuses on influencing social policies in an agency setting or through formal governmental processes. Purposefully, the Handbook also relies on information that comes from the digital world using the web as a primary source. Building on the social work profession's long-held belief to begin where the client is, using the links to the various data and citation sources, readers will learn to identify and discern the features of a valid web site. As a whole, *The Handbook of Policy Practice* is an essential resource for all BSW and MSW students.

Love over Fear Dan White Jr., 2019-05-07 Aren't Christians supposed to be the loving ones? Whether it's the news, social media, or well-intentioned friends, we're told daily to fear others. We fear strangers, neighbors, the other side of the aisle, even those who parent differently. And when we're confronted with something that scares us, our brain sees only two options: Attack or Avoid. But either way, polarization intensifies. What if you could defy your own instincts and choose a third option: scandalous, disruptive, unthinkable LOVE? Sure, we love people who are like us, who are easy to enjoy. Everyone does. But what about our enemies, the people we consider monsters? Loving them requires exceptional strength. Strength only the Holy Spirit can provide. *Love over Fear* is a compelling guide to conquering fear with love in an age of polarization. Hear stories of those who changed hearts and minds through radical love, learn how to practice disarming compassion, and discover the disruptive power of showing affection to monsters.
