

Original text:

"...there are two ways to become wealthy: to create wealth or to take wealth away from others. The former adds to society. The latter typically subtracts from it, for in the process of taking it away, wealth gets destroyed. A monopolist who overcharges for his product takes away money from those whom he is overcharging and at the same time destroys value. To get his monopoly price, he has to restrict production." Stiglitz, J.E. (2013). The price of inequality. London: Penguin.

Quote

Of the two ways to become wealthy creating wealth adds to society; whereas, taking wealth away from others, "typically subtracts from it, for in the process of taking it away, wealth gets destroyed" (Stiglitz, 2013:40).
