Strategy Implementation Guide

Van Dyke Public Schools

Purpose/Theory of Action for PLC's: If we focus on a collaborative culture and data-driven teaching and learning, then we will increase student achievement and professional capacity.

Critical Component How does this component contribute to the overall outcome of this practice?	"Gold Standard" for Implementing a Critical Component What would you see when this component is implemented well?	Acceptable Variation for Implementing a Critical Component What adaptations are acceptable/contextual without losing value?	Unacceptable Variation for Implementing a Critical Component Define the boundaries of unacceptable implementation.
Teams Engage in Intentional Practices That Promote Development of Highly Effective Collaboration	• Teacher teams demonstrate autonomy and shared accountability on a regular basis including: agenda creation, minutes, work product, conflict resolution, ownership of assessment results and reflection upon professional practices. • Teachers have established trusting, professional relationships that foster a collaborative culture.	• Teachers collaborate around a pre-determined agenda or intended outcome. • Developing trusting, professional relationships that foster a collaborative culture testing	• Little or no collaboration is evident. • Division of tasks, individuals work in isolation to accomplish a larger task.
Demonstrate Professional, Collaborative Team Practices	• Team member roles are established, such as Facilitator, Timekeeper, Recorder • Team Norms are established and respected, with equal participation from all members • A form is used to show outcomes, protocols used, and team goals/next steps.	• There is just a facilitator or roles are not filled • Most team members are contributing, with input from 'silent' members through other avenues • An incomplete form is submitted due to time constraints	• Team members do not have roles • All members do not contribute
