Thornton,2024-06-04 Today we talk about Bernard Madoff but in the early 20th century they talked about George Graham Rice Born Jacob Simon Herzig in 1870 he later changed his name just as he would frequently change his swindles to make himself into one of the most colorfully successful villains in American history T D Thornton now tells the story of Rice s life as it unfolded against the dark rise of American greed in the early 20th century In the early 1900s Rice made market manipulation killings valued at billions in today s dollars by inventing fictitious boom towns in Death Valley and flagrantly exaggerating worthless mining claims throughout the West As a shameless racetrack tipster Rice cultivated a national following of 100 000 daily subscribers who paid for the privilege of being tipped to bet on hopeless nags Vilified by securities regulators as the Jackal of Wall Street Rice sparked riots in Manhattan s financial district by perfecting the art of
