 the Prophetic Imagination Jamie Gates,Mark Mann,2012-11-06 Nurturing the Prophetic Imagination searches through
 biblical scholarship theology economics sociology politics ecology and history to discern the strands of God s justice and
 reconciliation at work in the contemporary world Nurturing the Prophetic Imagination challenges Christians to engage the
 most troubling social problems of our time by first drinking deeply from the well of the historic prophetic traditions
 Nurturing the Prophetic Imagination witnesses to a God that raises up prophets to speak at critical moments in every time
 and to what it might look like for the Church to nurture the soil from which such prophetic voices spring Rarely do such a
 wide variety of authors from such different backgrounds and vocations get together to name what the prophetic work of God
 looks like in our midst The radical justice and reconciliation of God can be found in every corner of life if we know where to
 look for it Nurturing the Prophetic Imagination provides some guidance in this direction Nurturing the Prophetic Imagination
 celebrates and seeks to build upon the legacy of eminent biblical scholar Walter Brueggemann s seminal work The Prophetic
 Imagination first published in 1978 by assessing the core insights and themes he develops through a number of different
 lenses These include contemporary biblical scholarship theology economics sociology politics ecology and church history
 Nurturing the Prophetic Imagination also discusses the extent to which the Christian prophetic tradition continues to speak
 meaningfully within the contemporary world and thereby seeks to be a source for inspiring future generations of Christian
 prophets to do likewise **Who, What, Where, When(?) & Why** Gale Newman,2012-02 As the Introduction in this book
 clearly states this book could be fiction or non fiction If it comes close to being non fiction then the story contained herein
 following the prophetic Scriptures cited depicts a future history unfolding very close to what actually will happen That aside
 whether fiction or non fiction the person reading this book now will be challenged to evaluate our current history to
 determine if it could lead to a future history as described in this book The goal of the author in writing this novel is clear It is
 for the reader to ask the same question posed by the Apostle Peter What kind of person should I be 2 Peter 3 11 The answer
 found in the same passage Holy and godly as you look forward to the day of God and speed its coming GALE NEWMAN was
 born and raised in Turlock California He attended U C Berkeley on an athletic scholarship After graduation he attended
 Trinity Evangelical Divinity School From there he received a Masters of Divinity degree and a few years later a Doctor of
 Ministry degree He has served churches in Oregon Indiana and California While serving those churches he instituted Home
 Bible Studies believing them to be essential for Christian growth His first book The Truth About The Lie was formatted to be

used by Christians for personal Bible study or for groups within churches to be used in home Bible study settings This book could be used for the same purposes since each chapter ends with Bible verses to be read The references are to be used to understand the background of the chapter just read
