Racing Colours Motor Racing Compositions 1908 2009:

Racing Colours Simon Owen, 2018-05-29 In many respects it is a book unlike many others It is an individual as all good books should be It is quirky eclectic eccentric even but in a world intent on reproducing that which has already been regurgitated I personally felt the need for something a bit more idiosyncratic I can only hope that you agree Simon Owen A well known artist specialising in racing car subjects the late Simon Owen s detailed expertly executed work conveys the life the vibrancy the essence and passion of motorsports and racing cars like no other Simon s work is a visual feast for lovers of automotive art and motorsport Over the last few years Simon had worked on developing a series of stunningly detailed computer generated digital images focusing on individual racing cars and their liveries Seventy seven of these images have been compiled to create *Racing Colours* and each is presented with a relevant quote from a legend of the motor racing world Along with these beautiful and unique artworks this book represents a chance to gain a rare peek into the artist s working methods revealing some of his developmental work and showing how the digital images were constructed **Rootes Cars**
