Honor Bound Radclyffe, 2005-12-12 Secret Service Agent Cameron Roberts made a promise to Blair Powell the President's daughter not to place her own life in danger protecting Blair but a request from the Commander in Chief forces her to break her word In this sequel to Above All Honor Cameron places duty before love and accepts reassignment as the chief of Blair's security detail despite knowing that this decision may destroy their tenuous new relationship As the rift

between them widens more than one woman is happy to offer Blair the company that Cam cannot Amidst political intrigue an escalating threat to Blair s safety and the seemingly irreconcilable personal differences that force them ever further apart these two unusual women struggle to find their way back to one another *Honor Guards* Radclyffe,2004-12-12 The fourth in the Honor Series When you re the president s daughter and the closest thing the country has to a first lady your life is never really your own When you re the woman charged to guard the first daughter and you also happen to be her lover every moment of every day is filled with challenges and a mistake could cost you everything Unbeknownst to either Blair Powell or Secret Service agent Cameron Roberts they are at the center of a conspiracy that will rock the world when a net of violence and death draws down upon them and the nation In a journey that begins on the streets of Paris s Left Bank and culminates in a wild flight for their lives the president s daughter and those who are sworn to protect her wage a desperate struggle for survival *Oath of Honor* Radclyffe,2012-10-01 Navy Captain Wes Masters newly posted to head the White House Medical Unit is a physician with only one patient but her job is twenty four seven Her charge is simple protect and preserve the well being of the most powerful man in the world the president of the United States As the First Physician Wes must travel by President Andrew Powell s side in the hot zone with everything she needs to save his life if he is injured or falls ill Her job gets even harder when she has to prove she is up to the task to Secret Service Agent Evyn Daniels a member of the elite Presidential Protection Detail and a woman who challenges Wes on more than just the professional front Evyn isn t happy about inserting Wes into PPD especially when Wes gets the post Evyn believes should go to her good friend Dr Peter Chang The stakes get even higher for all involved when Homeland Security Deputy Director Cameron Roberts is brought in to investigate a possible security breach and everyone including Evyn is a suspect **Love & Honor** Radclyffe,2004-10-12 The third book in the Honor Series US Secret Service Agent Cameron Roberts has more than one secret that could destroy her career not the least of which is that she s in love with the president s daughter Blair Powell the first daughter returns the feeling despite her ambivalence about Cam s role as her security chief particularly in the aftermath of an assassination attempt that nearly cost Cam her life In this third book of the Honor series Blair and Cam struggle to protect their relationship from intensified media exposure even as they are unwillingly drawn into a shadowy conspiracy that puts Cam s career and the president s political future at risk When Cam s previous lover resurfaces to offer support and solace the president s daughter and her security chief are faced with difficult choices as they battle a tangled web of Washington intrigue for love and honor *Honor Reclaimed* Radclyffe,2005-12-12 The Fifth in the Honor Series In the chaotic aftermath of 9 11 Secret Service agent Cameron Roberts and her lover first daughter Blair Powell must contend with recriminations from within the government and danger from without as they struggle to uncover those who betrayed the nation and nearly claimed Blair s life The hunt for those who betrayed the nation is a very personal quest for Secret Service agent Cameron Roberts because the traitors targeted her lover Her search takes her deep into the shadow worlds of counter intelligence

where even a friend might be a foe While Cam struggles to uncover the traitor's trail Blair wages her own war to prevent the woman she loves from becoming a scapegoat during the chaotic aftermath of 9/11 Not just honor but their future together is on the line as Blair and Cam join forces with their loyal friends to strike back at the terrorists Honour, Exchange and Violence in Beowulf Peter Stuart Baker, 2013 Argues for a new reading of Beowulf in its contemporary context where honour and violence are intimately linked This book examines violence in its social setting and especially as an essential element in the heroic system of exchange sometimes called the Economy of Honour It situates Beowulf in a northern European culture where violence was not stigmatized as evidence of a breakdown in social order but rather was seen as a reasonable way to get things done where kings and their retainers saw themselves above all as warriors whose chief occupation was the pursuit of honour and where most successful kings were those perceived as most predatory Though kings and their subjects yearned for peace the political and religious institutions of the time did little to restrain their violent impulses Drawing on works from Britain Scandinavia and Ireland which show how the practice of violence was governed by rules and customs which were observed with variations over a wide area this book makes use of historicist and anthropological approaches to its subject It takes a neutral attitude towards the phenomena it examines but at the same time describes them forthrightly avoiding euphemism and excuse making on the one hand and condemnation on the other In this it attempts to avoid the errors of critics who have sometimes been led astray by modern assumptions about the morality of violence PETER S BAKER is Professor of English at the University of Virginia
