While the leading indicator might not be what you'd expect to see in a financial statement, it is still a key to understanding your company's future. By looking at the trends in the leading indicators, you can get a better idea of what the future holds for your company. For example, if you see a trend in the leading indicators that suggests a decline in sales, you can take steps to address the problem before it becomes a major issue.

The game also has a great soundtracking system. And, as a commercial software game, it's available on CD-ROM. I don't know if you can find it on the Internet, but it's available on CD-ROM.
