

Sample Daycare Termination

Date: September 2050

Dear **Parent**,

I hope this message finds you well. It is with a heavy heart that I am writing to inform you of the decision to terminate daycare services for **Emily Johnson**, effective September 30, 2050. This decision has not been made lightly and follows many discussions and considerations.

We have thoroughly enjoyed having your child as a part of our daycare community. Her enthusiasm, curiosity, and unique contributions have enriched the experiences of both our staff and other children. However, due to ongoing behavioral issues that conflict with our daycare policies, we must move forward with this termination process.

We understand this decision's significant impact on your family and would like to offer assistance during this transition period. We are committed to providing support in finding alternative childcare arrangements and would be happy to share resources or recommendations within the community.

Our priority is to ensure that this transition is as smooth as possible for your child and your family. Please feel free to reach out to us with any questions or concerns you may have. We are here to help and will continue to be available until the termination date to ensure all loose ends are tied up and that your child receives the best possible care during their remaining time with us.

We thank you for entrusting us with the care of your child and wish you all the very best in your future endeavors. It has been a privilege to be a part of their early development, and we are confident they will continue to thrive in their new environment.

Sincerely,
