I Sold My House in a Raffle Diane Giraudo McDermott, 2010-06-01 If you're a home seller wishing to skip the conventional process of listing your home and waiting for a qualified buyer and you've always wanted to be rich enough to help your favorite charity in a big way your time has come *I Sold My House in a Raffle* explains the entire process for homeowners, realtors, and also for the nonprofit director who is open to an innovative fundraising alternative that can provide a sizeable chunk of cash to support the charity. Diane Giraudo McDermott, an advocate of animal rights, couldn't match the incentives building developers were offering home buyers and buyers interested in her property couldn't qualify for a loan so she used her marketing background and partnered with a no-kill animal shelter and successfully sold her house in a raffle. Inside you'll learn how to utilize the best marketing techniques, create a winning raffle formula, complete the required paperwork, connect with the right charity, and reduce your risk. Take charge of your real estate future, save thousands of dollars, save time waiting for that qualified buyer, and get your full asking price. This is a method whose time has come and it can work for you too.
