Mark has been written about Guy McCubbin's extensive influence
 on California history, and on history beyond California's
 borders—most notably in that the subject of this book, the Lark Sparrow
 and related birds of California, has been Guy's passion since
 all others. Guy was well prepared to maintain his influence
 during the migration of his family to California in the 1940s and
 1950s. While others have gone and gone and had major influence
 on the migration, Guy has remained dedicated to the study and preservation
 of these birds well beyond all others. Guy was in the line of the
 founding members of the California Bird Records Committee, and
 he has remained a driving force of the Committee and since. Members
 of the CBRC, past and present, proudly dedicate this book to
 Guy, and wish him many more successful years.
