Rome Sweet Rome Book:

Rome Sweet Home Kimberly Hahn, Scott Hahn, 2009-09-03 The well known and very popular Catholic couple Scott and Kimberly Hahn have been constantly travelling and speaking all over North America for the last few years about their conversion to the Catholic Church Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism Scott Hahn was a Presbyterian minister the top student in his seminary class a brilliant Scripture scholar and militantly anti Catholic until he reluctantly began to discover that his enemy had all the right answers Kimberly also a top notch theology student in the seminary is the daughter of a well known Protestant minister and went through a tremendous dark night of the soul after Scott converted to Catholicism Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony Written with simplicity charity grace and wit the Hahns deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story Their love of truth and of neighbor is equally evident and their theological focus on the great importance of the family both biological and spiritual will be a source of inspiration for all readers

Subverted Sue Ellen Browder,2015-10-06 Contraception and abortion were not originally part of the 1960s women s movement How did the women s movement which fought for equal opportunity for women in education and the workplace

and the sexual revolution which reduced women to ambitious sex objects become so united In Subverted Sue Ellen Browder documents for the first time how it all happened in her own life and in the life of an entire country Trained at the University of Missouri School of Journalism to be an investigative journalist Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation As a long time freelance writer for Cosmopolitan magazine she wrote pieces meant to soft sell unmarried sex contraception and abortion as the single woman's path to personal fulfillment She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women's movement The thirst for truth integrity and justice for women that led Browder into journalism in the first place eventually led her to find forgiveness and freedom in the place she least expected to find them Her in depth research her probing analysis and her honest self reflection set the record straight and illumine a way forward for others who have suffered from the unholy alliance between the women's movement and the sexual revolution *Unconquered Heart*
