Connor, 2025-05-13 Sometimes our travels take us to places we can only imagine in our wildest dreams distant lands deserted islands or even the entire universe Janie is twelve years old She loves to look out the window at night and observe the stars She writes her thoughts and dreams in a notebook Sometimes she wonders how she can be so special unique and yet so small in the vast universe Janie grows up in a sheltered environment but soon she realizes that life isn t just a place of love and dreams The captivating novel VOICES OF THE UNIVERSE which has also been adapted into a musical with 20 emotional songs tells the moving story of Janie s life from her childhood and youth to her old age **Once Touched, Never Forgotten** Natasha Tate, 2011-11-15 Super exec Stephen Whitfield and high flying colleague Colette Huntington both understand the rules of their attraction One it will never be anything more than a fling Two either can walk away at any time they wish Only Colette hasn t counted on walking away pregnant And to Stephen s frustration after Colette other women don t seem to provide quite the same satisfaction Now Stephen s going to lay down some new rules rules that will most definitely give him the opportunity to indulge his craving for Colette once more Judaism, Race, and Ethics Jonathan K. Crane, 2020-03-30 Recent political and social developments in the United States reveal a deep misunderstanding of race and religion From the highest echelons of power to the most obscure corners of society color and conviction are continually twisted often deliberately for nefarious reasons or misconstrued to stymie meaningful conversation This timely book wrestles with the contentious dynamic and ethically complicated relationship between race and religion through the lens of Judaism Featuring essays by lifelong participants in discussions about race religion and society including Susannah Heschel Sander L Gilman and George Yancy this vibrant book aims to generate a compelling conversation vitally relevant to both the academy and the community Starting from the premise that understanding prejudice and oppression requires multifaceted critical reflection and a willingness to acknowledge one s own bias the contributors to this volume present surprising arguments that disentangle fictions factions

and facts The topics they explore include the role of Jews and Jewish ethics in the civil rights movement race and the construction of American Jewish identity rituals of commemoration celebrating Jewish and black American resilience the Yiddish gaze on lynchings of black bodies and the portrayal of racism as a mental illness from nineteenth century Vienna to twenty first century Charlottesville Each essay is linked to a classic Jewish source and accompanied by guiding questions that help the reader identify salient themes connecting ancient and contemporary concerns In addition to the editor the contributors include Sander L Gilman Annalise E Glauz Todrank Aaron S Gross Susannah Heschel Sarah Imhoff Willa M Johnson Judith W Kay Jessica Kirzane Nichole Ren e Phillips and George Yancy
