**A Quest for Justice** Mzukisi Ndara, 2021-10-01 It's a proverbial battle of David versus Goliath. A senior government employee has been embroiled in a bitter battle against one of the country's largest financiers, Wesbank. His story is mired in alleged fraud, corruption and misconduct. The Grahamstown High Court this week dismissed with costs an appeal by Wesbank, a division of FirstRand, for the third time against earlier rulings made in favour of Mzukisi Ndara. In the pursuit for justice, Ndara has approached several high-ranking politicians, Parliament as the custodian of the country's laws, the Hawks and the courts. But 15 years into the battle, the matter has yet to be resolved. And some dockets containing vital evidence have gone missing. Ndara has now turned to the Director of Public Prosecutions as a last resort. Long and winding road for Justice Bulelwa Payi. Weekend Argus, March 19, 2019. Based on your statement together with police evidential material and the circumstances of this matter, Wesbank and/or its employees breached the contract in the form of misrepresentations and acted in violation of various statutes as alluded to in your reports. National Director of Public Prosecutions, NDPP Advocate Shamila Batohi, September 24, 2019. Your story needs to be told for business and government to understand they can't keep turning a blind eye to their people who believe the end justifies the means regarding profit making. Professor Thuli Madonsela, June 4, 2020. A seventeen-year journey of sheer guts and resilience. Dr. Charity Hove, October 6, 2021. It is a baffling, bewildering and unsettling story best summarized by your insightful self-observation. Part One, page 31: my inner desire for truth. You write with fluency and power. The first part of your account embracing your earlier life is amusing, wry, entertaining and in parts engrossing. The later parts make for more challenging reading because of the anguish of the cumulating injustices, delays, lawyerly and institutional disingenuousness and evasions you suffered. Your account is truly a Dickensian tale of the law's delays and obscurities of lawyers and journalists, evasions with very occasional light points of courage, loyalty and competence. Retired Constitutional Court Justice Edwin Cameron, September 6, 2022. **The British National**

Lemon Aid guides steer the confused and anxious buyer through the economic meltdown, unlike any other car and truck books on the market. U.S. automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda, Nissan and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon Aid Used Cars and Trucks 2012-2013 has the answers, including more vehicles rated with some redesigned models that don't perform as well as previous iterations, downrated more roof crash worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety and performance-related defects that are likely to affect rated models.
