

School Uniform Should Not Be Abolished

Good morning to all my friends, imagine if you need to choose which clothes to wear to school every morning so that you will look pleasing to everyone in the school, how will you feel? Would you feel very troublesome? Our school plans to abolish school uniforms and allows students to wear any clothes to school. This issue becomes a talking-point in our school, I am totally against the idea as I think uniforms are totally necessary to build proper school culture. Today, I am here to convince you that school uniforms should not be abolished.

The reasons why school uniforms should remain are because it brings a lot of advantages to students. First, school uniforms promote a sense of belonging and create good school culture. When all the students wear the same uniform, the spirit of learning in school will be uplifted. It shows that the school expects high standards and students respond with better behavior. Wearing school uniforms also can prevent students especially girls from wearing clothes which harsh to the eye such as miniskirt, sexy dress, short pants and so on.

On the other hand, boys can focus on their study if girls wear proper uniforms in school. Besides, equality among students can be maintained in school. No matter what family background are the students having, they will wear the same uniform and the difference between rich and poor is smaller. A student who comes from less fortunate family does not need to worry about being bullied or being disdained in school just because he wears older clothes. Apart from that, students can save their time in the morning to do other things like having breakfast by just simply wearing school uniforms.

This is because they do not have to waste time thinking of what to wear to school and how to decorate themselves by putting some decorations on their clothes. Moreover, school uniforms help students to focus on study instead of fashions and trendy clothes. Futhermore, wearing a uniform helps to prepare students for working in the future. This can help students to adapt with the condition of wearing uniforms to work in the future. People like nurses, doctors, the firemen and the policemen wear uniform as part of their job.

Other working adults also wear suits to work. In conclusion, school uniforms should not be abolished. Reasons are that school uniforms give a sense of belonging to us, maintain equality among students, help students to focus on study and help them to prepare for working in the future. Therefore I urge all of you, my friends, to sign a petition to the school administration board so that they can take into consideration of the benefits of having us, students to wear school uniform. Thank you.
