board's commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And Robinson doesn't offer up easy nostrums Quite the opposite Over the past 20 years as a board member a volunteer and a consultant he's put into practice what he preaches and stands unshakably behind his fog-burning advice Great Boards for Small Groups contains 31 brief chapters In fact the whole book can be read in an hour Funny thing though its impact on those who heed its advice will last for years Resources in Education ,1999-10
