Customer Relationship Management (CRM) for Medium and Small Enterprises Antonio Specchia,2022-04-07 Customer Relationship Management CRM systems are a growing topic among small and medium sized enterprises entrepreneurs and solopreneurs and it is completely clear that CRM is a tool that businesses should have in place to manage sales processes Teams of salespeople must have a system to run their daily activities and small businesses and solopreneurs must track their marketing effort a functioning structure for maintaining their contacts with prospects and clients to improve the effectiveness of their sales effort CRM once only available to large corporations is now powerful technology for small and medium businesses Small and medium businesses are now able to implement CRM solutions under a more cost effective balance as an alternative to traditional tools like Salesforce Dynamics or Oracle The reason for the success is mainly the simplicity of the new tools and solutions that have been developed for the management of sales processes This book discusses how to implement a CRM from the perspective of the businessperson not the more typical IT consultant or the technical staff It benefits business development sales management and sales process control Small business owners must understand why and how implementing a CRM will create value for their business how it will focus on business development sales management and how sales leads develop into happy customers Small business owners must first understand what a CRM system is how it works what its main functions are and how it serves to manage workflows in the company s sales department Generally entrepreneurs struggle to find the time to read and study complex and fully comprehensive books This book provides direct operational guidelines to those who need easy to read information about how to use CRM effectively Business professionals must be able to set up CRM systems and avoid mistakes and wasting time This book provides an overview of what can be done with CRM and how it happens to empower businesspeople to find new customers and win business opportunities This book discusses the logic of CRM in sales giving tips and explanations on why and what happens when CRM is implemented in a specific way Essentially this book gives the entrepreneur the know how behind CRM in sales in general terms supporting enhanced customer relationships

The Oxford Handbook of Strategic Sales and Sales Management David W. Cravens,Kenneth Le Meunier-FitzHugh,Nigel F. Piercy,2012-11-22 The Oxford Handbook of Strategic Sales and Sales Management is an unrivalled overview by leading academics in the field of sales and marketing management Sales theory is experiencing a renaissance driven by a number of factors including building

profitable relationships creating delivering brand value strategic customer management sales and marketing relationships global selling and the change from transactional to customer relationship marketing Escalating sales and selling costs require organisations to be more focused on results and highlight the shifting of resources from marketing to sales Further the growth in customer power now requires a strategic sales response and not just a tactical one The positioning of sales within the organisation the sales function and sales management are all discussed The Handbook is not a general sales management text about managing a sales force but will fill a gap in the existing literature through consolidating the current academic research in the sales area The Handbook is structured around four key topics The first section explores the strategic positioning of the sales function within the modern organisation The second considers sales management and recent developments The third section examines the sales relationship with the customer and highlights how sales is responding to the modern environment Finally the fourth section reviews the internal composition of sales within the organisation The Handbook will provide a comprehensive introduction to the latest research in sales management and is suitable for academics professionals and those taking professional qualifications in sales and marketing

Selling: The New Norm Drew Stevens, 2016-04-18 Why read another book on selling Simple Today's client is more informed more sophisticated and has more access to information Selling professionals today need to be keener to fulfill the needs of the client by offering value and most important trust In the increasing age and rage of globalization and the Internet competition rises Selling professionals today need to determine better ways to reach the economic decision maker and better articulate their value Selling The New Norm is such a book This book will provide the tools and templates required to meet today's sales challenges
