My Recipe for Cultural Interchange Sarj,2013-01-30 In my 433 page book I explain that all cultures can learn from each other and my goal is to help people on each side of this cultural interaction because I have experienced the complexities and misunderstandings of cultural differences and sensitivities insensitivities and I want to help bridge the gaps between cultures I know that it is necessary for international students parents host families migrants and refugees to prepare themselves well before they live in another culture because I remember what I had to experience when I moved from the East to live in the West many years ago Let me share with you some of my experiences as a traveler and Homestay mother Some of my stories are funny and some are sad but they are all very relevant to the realities of this experience that we all call life I have learnt

that it is inevitable that people will change as a direct result of cultural interaction and exchange and that is why I have referred to this two way experience as Cultural Interchange
