It acts as the medium to make our ideas, thoughts and feelings understood and appreciated. Like art, language can touch the heart and inspire the soul. And at the heart and soul of a language lies its grammar. Grammar helps the learners build a firm foundation for using the language. Each concept has been covered in detail and great care has been taken to offer the relevant core concepts for the learners at each level. Last but not least, the utmost care has been taken to encapsulate in the series the key parameters laid down in National Education Policy NEP 2020. The NEP places the learner at the heart of the teaching-learning process. In recent years, there has been a paradigm shift towards designing a learner-centric curriculum that is based on an activity-based approach.
