Großbritannien und Irland.* Bernhard Fabian, Vincenc Streit Vlasta Faltysová Pavel Pohlei, **Menippean Satire** **Reconsidered** Howard D. Weinbrot, 2005-11-16 Publisher description The Language of the Freedmen in Petronius' Cena Trimalchionis B. Boyce, 2018-07-17 Realistic representation of the speech of the lower classes in ancient literature is largely confined to the comic genres and Petronius realism in this area is more thorough going than that of any other ancient author A vast scholarly literature has grown up around the question of how faithfully the speeches of Petronius freedmen reflect characteristics of actual popular speech this literature is reviewed and evaluated A survey of the phonological morphological lexical and syntactic peculiarities in these speeches is then undertaken in which they are compared with other vulgar Latin sources such as the Pompeian inscriptions Petronius is in fact one of our most important early sources for the study of popular Latin The way in which Petronius used specific varieties of non standard Latin to characterize different freedmen speakers is explored Petronius has subtly modulated his freedmen s speeches to reflect differing emotional states and the different attitudes of the speakers toward their social position The present study is the first comprehensive treatment of the subject undertaken in over forty years in any language and the only one in English **Young Eliot** Robert Crawford, 2024-03-26 A rich exploration of Eliot s life his grinding labors and excoriating intelligence Edna O'Brien The New York Times Book Review The award winning biographer Robert Crawford presents us with the first volume of a comprehensive account of the poetic genius of T S Eliot Young Eliot traces the life of the twentieth century s most important poet from his childhood in St Louis to the publication of his revolutionary poem The Waste Land Crawford provides readers with a new understanding of the foundations of some of the most widely read poems in the English language through his depiction of Eliot s childhood laced with tragedy and shaped by an idealistic bookish family as well as through his exploration of Eliot s marriage to Vivien Haigh Wood a woman who believed she loved Eliot in a way that destroys us both Quoting extensively from Eliot s poetry and prose as well as drawing on new interviews archives and previously undisclosed memoirs Crawford shows how the poet s background in Missouri Massachusetts and Paris made him a lightning rod for modernity

Most of all Young Eliot shows us an epoch shaping poet struggling to make art among personal disasters Crawford has done exceptional spadework in turning up clues that takes us deeper into Eliot's symbolic landscapes David Yezzi The New York Times Book Review Tracks in enthralling exhaustive detail the poet's life No possible connection to Eliot's published work however faint or distant goes unnoticed Michael Dirda The Washington Post The most complex and detailed portrait to date Micah Mattox The Wall Street Journal Brilliantly perceptive Damian Lanigan The New Republic
