Barton Palmer,2007-03-08 The process of translating works of literature to the silver screen is a rich field of study for both students and scholars of literature and cinema The fourteen essays collected in this 2007 volume provide a survey of the important films based on or inspired by nineteenth century American fiction from James Fenimore Cooper s *The Last of the Mohicans* to Owen Wister s *The Virginian* Many of the major works of the American canon are included including *The Scarlet Letter* *Moby Dick* and *Sister Carrie* The starting point of each essay is the literary text itself moving on to describe specific aspects of the adaptation process including details of production and reception Written in a lively and accessible style the book includes production stills and full filmographies Together with its companion volume on twentieth century fiction the volume offers a comprehensive account of the rich tradition of American literature on screen **Step Across This Line** Salman Rushdie,2002-09-10 From one of the great novelists of our day a vital brilliant new book of essays speeches and articles essential for our times *Step Across This Line* showcases the other side of one of fiction s most astonishing conjurors On display is Salman Rushdie s incisive thoughtful and generous mind in prose that is as entertaining as it is topical The world is here captured in pieces on a dazzling array of subjects from New York s Amadou Diallo case to the Wizard of Oz from U2 to fifty years of Indian writing from a tribute to Angela Carter to the struggle to film *Midnight s Children* The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values and examines the changing meaning of frontiers in the modern world moral and metaphorical frontiers as well as physical ones The collection chronicles Rushdie s intellectual journeys but it is also an intimate invitation into his life he explores his relationship to India through a moving diary of his first visit there in over a decade *A Dream of Glorious Return* *Step Across This Line* also includes *Messages From the Plague Years* a historic set of letters articles and reflections on life under the fatwa Gathered together for the first time this is Rushdie s humane intelligent and angry response to a grotesque threat aimed not just at him but at free expression itself *Step Across This Line* Salman Rushdie s first collection of non fiction in a decade has the same energy imagination and erudition as his astounding novels along with some very strong opinions **The Educator-journal** ,1914 **Nathaniel Hawthorne, Updated Edition** Harold Bloom,2009 A collection of critical essays on Nathaniel Hawthorne s work **Deeper Splendor** Robert P. Vande Kappelle,2022-03-03 Life s ultimate adventure its grandest game and greatest challenge is the spiritual transformation of the self According to Swiss psychiatrist Carl Jung personality and spirituality are interrelated spirituality flowing out of individuality Noting that people differ in fundamental ways even though they possess the same instincts to drive them from within Jung discovered that preference rather than instinct upbringing environment or genetic conditioning is central to personality The task of spirituality then is not to help us achieve correct

doctrine or attain saintly status but rather to help us best understand our humanity This endeavor drives Deeper Splendor a study of spirituality and personality in modern literature We focus on modern literature rather than on theology philosophy psychology or sociology because as this volume makes clear one of the best resources for studying transformative spirituality is great literature The great power of literature is that it speaks of human action and thought not in the dry matter of fact terms of history ethics psychology or some other science but in ways that are lively uplifting and productive Engaging with great literature is like beginning a love affair Such encounters may appear daunting at first but when you fall in love you want to know everything about the object of your love and every encounter leaves you wanting more When literature enhances spirituality as is true in the dozen or more selections examined in Deeper Splendor each literary moment renders us more fully alive Like its companion texts Wading in Water and Deep Splendor this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection
