Selling The Scarlet Letter for ages 9 12 English language      **The Scarlet Letter "Annotated and Illustrated Book" With Teacher Edition** Nathaniel Hawthorne, 2020-03-22 The Scarlet Letter opens with a long preamble about how the book came to be written. The nameless narrator was the surveyor of the customhouse in Salem, Massachusetts. In the customhouse's attic, he discovered a number of documents among them a manuscript that was bundled with a scarlet gold embroidered patch of cloth in the shape of an A. The manuscript, the work of a past surveyor, detailed events that occurred some two hundred years before the narrator's time. When the narrator lost his customs post, he decided to write a fictional account of the events recorded in the manuscript. The Scarlet Letter is the final product. The story begins in seventeenth-century Boston, then a Puritan settlement. A young woman, Hester Prynne, is led from the town prison with her infant daughter Pearl in her arms and the scarlet letter A on her breast. A man in the crowd tells an elderly onlooker that Hester is being punished for adultery. Hester's husband, a scholar much older than she is, sent her ahead to America but he never arrived in Boston. The consensus is that he has been lost at sea. While waiting for her husband, Hester has apparently had an affair as she has given birth to a child. She will not reveal her lover's identity, however, and the scarlet letter along with her public shaming is her punishment for her sin and her secrecy. On this day, Hester is led to the town scaffold and harangued by the town fathers, but she again refuses to identify her child's father. The elderly onlooker is Hester's missing husband, who is now practicing medicine and calling himself Roger Chillingworth. He settles in Boston intent on revenge. He reveals his true identity to no one but Hester, whom he has sworn to secrecy. Several years pass. Hester supports herself by working as a seamstress, and Pearl grows into a willful, impish child. Shunned by the community, they live in a small cottage on the outskirts of Boston. Community officials attempt to take Pearl away from Hester, but with the help of Arthur Dimmesdale, a young and eloquent minister, the mother and daughter manage to stay together. Dimmesdale, however, appears to be wasting away and suffers from mysterious heart trouble seemingly caused by psychological distress. Chillingworth attaches himself to the ailing minister and eventually moves in with him so that he can provide his patient with round-the-clock care. Chillingworth also suspects that there may be a connection between the minister's torments and Hester's secret, and he begins to test Dimmesdale to see what he can learn. One afternoon, while the minister sleeps, Chillingworth discovers a mark on the man's breast, the details of which are kept from the reader, which convinces him that his suspicions are correct. Dimmesdale's psychological anguish deepens, and he invents new tortures for himself. In the meantime, Hester's charitable deeds and quiet humility have earned her a reprieve from the scorn of the community. One night, when Pearl is about seven years old, she and her mother are returning home from a visit to a deathbed when they encounter Dimmesdale atop the town scaffold, trying to punish himself for his sins. Hester and Pearl join him, and the three link hands. Dimmesdale refuses Pearl's request that he acknowledge her publicly the next day, and a meteor marks a dull red A in the night sky. Hester can see that the minister's condition is worsening, and she resolves to intervene. She goes to Chillingworth and asks him to stop adding to Dimmesdale's self-torment. Chillingworth refuses.      **The**

**The Scarlet Letter** Nathaniel Hawthorne, 2019-12-21 The Scarlet Letter by Nathaniel Hawthorne is a real classic You should grab it and read it to experience it yourself Like all of Hawthorne's novels The Scarlet Letter has but a slender plot and but few characters with an influence on the development of the story Its great dramatic force depends entirely on the mental states of the actors and their relations to one another relations of conscience relations between wronged and wrongers Its great burden is the weight of unacknowledged sin as seen in the remorse and cowardice and suffering of the Rev Arthur Dimmesdale Contrasted with his concealed agony is the constant confession conveyed by the letter which is forced upon Hester and has a double effect a healthful one working beneficently and making her helpful and benevolent tolerant and thoughtful and an unhealthful one which by the great emphasis placed on her transgression the keeping her forever under its ban and isolating her from her fellows prepares her to break away from the long repression and lapse again into sin when she plans her flight Roger Chillingworth is an embodiment of subtle and refined revenge The most striking situation is perhaps The Minister's Vigil in chapter xii The book though corresponding in its tone and burden to some of the shorter stories had a more startling and dramatic character and a strangeness which at once took hold of a larger public than any of those had attracted Though imperfectly comprehended and even misunderstood in some quarters it was seen to have a new and unique quality and Hawthorne's reputation became national
