industry He discusses sociocultural practices that seemed to wane as a result of these shifts including ringtone labor certain forms of musical notation and representation and the creation of musical and artistic works quoting ringtones Gopinath examines declines reversals and revivals of cultural forms associated with the ringtone and its changes including the Crazy Frog fad the use of ringtones in political movements as in the Philippine Gloriagate scandal the ringtone s narrative function in film and television including its striking use in the films of the Chinese director Jia Zhangke and the ringtone s relation to pop music including possible race and class aspects of ringtone consumption Finally Gopinath considers the attempt to rebrand ringtones as mobile music and the emergence of cloud computing
