Marvelous Minilessons for Teaching Nonfiction Writing K-3 Lori Jamison Rog, 2015-12-11 Today's young learners know more about their world than ever before. This remarkable book shows that even our youngest writers can consider audience and purpose as they use nonfiction writing to document their ideas and share those ideas with others. But if students are going to be able to use writing to learn, they must have opportunities for learning to write. That's what this book is for. A wealth of hands-on minilessons offer strategies for writing informational, persuasive, and procedural text. Each lesson starts with a learning goal and follows an I do, we do, you do format. Teachers will find a wealth of ideas for guiding young students to write about what they know and care about.

Nonfiction Writing Strategies Using Content-Area Mentor Texts

Marcia S. Freeman, 2014 How can you enhance the quality and effectiveness of instruction in both the content areas and in writing? By integrating content in both social studies and science with the strategies of writing that are so important for students to master as they craft nonfiction. This book shows teachers how to use mentor texts in an integrative approach for teaching both content and informational writing. As you explore the pages of this book, you'll find strategies for teaching writing craft fundamentals with step-by-step instructions that make writing instruction come alive in content area classes. Models make the instructional strategies clear. The book also includes a variety of expository techniques and advice on preparing writers for success on performance-based tests.

Powerful Writing Structures

Adrienne Gear, 2020-02-06 This timely book uses thinking structures to deepen student writing. It revolves around brain pockets to help students appreciate the qualities of different writing forms. Some powerful examples include memory pockets for personal narrative writing, fact pockets for nonfiction, and imagination pockets for story writing. Detailed lesson plans are featured along with sample anchor books and book lists. Based on extensive classroom testing, student samples throughout the book illustrate this unique approach to teaching writing. Suggestions for setting up an effective writing program and assessment tips for guiding instruction complete this comprehensive approach to developing a year-long writing program.

The Common Core Coaching Book

Laurie Elish-Piper, Susan K. L'Allier, 2014-04-10 This book provides essential coaching tools to support teachers in planning and implementing instruction aligned with the Common Core State Standards (CCSS). The authors explain the key instructional shifts brought about by the CCSS in K-5 English language arts classrooms. Eighteen specific strategies for coaching large groups, small groups, and individual teachers are presented, including clear-cut procedures, vivid illustrative examples, and 28 reproducible forms. Grounded in research on adult learning, the book addresses common coaching challenges and how to overcome them. The large-size format facilitates photocopying; purchasers also get access to a Web page where they can download and print the reproducible materials.
