Nonprofit Personnel Policies John Gillis,1995-12 It s something that every administrator needs a policy manual that clearly states the procedures and expectations set forth by your nonprofit But what should be in it How should your policies read Will your current policies keep you out of legal hot water the answers to

these questions and much much more can be found in Nonprofit Personnel Policies This looseleaf manual offers sample policies that you should consider implementing at your nonprofit They cover a wide range of situations and can be used to make your nonprofit a more efficient productive place to work We include sample language language which has been reviewed and approved by legal and management experts that will cover many of the policy questions you have You ll want to use this manual to review your current policy handbook and to update it where necessary It s sure to become one of your most trusted resources Companion diskette with forms and policies is available for purchase separately Available on IBM compatible stock number 16132 and Macintosh stock number 16140 disks **Starting & Building a Nonprofit** Peri Pakroo,2024-02-27

Starting Building a Nonprofit explains in detail how to start a nonprofit that s both effective and sustainable and can continue doing its good work even if the founders move on It is written for people who are passionate about a cause but who might not know the first thing about the legal structure of nonprofits or how to manage them It explains from A to Z how to organize people money and resources legally and strategically in line with the unique rules governing nonprofit organizations in the U S **Fundraising Basics** Barbara L. Ciconte,Jeanne G. Jacob,2005 This primer helps new fund raisers learn the basics from the vocabulary of fund raising to the nuances of major trends affecting nonprofit fundraising today With up to date case studies and reallife examples this practical guide will provide an overview of the field and give development staff managers and directors a platform from which to operate their fund raising programs This guide is a musthave for anyone new to the fund raising arena Citizen Participation in Non-Profit Governance Sondra Z.

Koff,2011-12-31 Nonprofit organizations their governing structures boards of directors and their newest constituency members who represent the public at large are the subject of this book In recent years new mechanisms have been developed to link citizens with government and with diverse policy making entities Earlier it was assumed that citizens had little interest in policy deliberations and responsibility for public needs was best left to the experts Many citizens now believe that they have a legitimate right to infl uence how power is exercised in public organizations Koff constructs a demographic profi le of public members their activities and their opinions about board membership She also catalogues the perspectives of executive directors about public members identi fi es specifi c problems related to public participation and suggests strategies to help resolve them How effectively these bodies perform and how well they respond to the public are in part determined by the talents and activities of their members All of these members especially public members need appropriate tools to be able to perform in a superior fashion Despite the importance of governing bodies to an organization s performance there has been little examination of board members in general and specifi cally of public members This is the first book length study on the subject **138 Ways to Generate New, First-time Gifts** Scott C. Stevenson,2013-05-13 Originally published by Stevenson Inc this practical resource provides nonprofit leaders and professionals with proven methods and techniques for increasing revenue from first time gifters It delivers step by step procedures for motivating nondonors to give

and explains how to increase success through direct mail calls phonathons events online giving and more Important topics covered include Motivating non donors Attracting first time corporate donors Annual giving strategies Restricted gifts Employee giving Social media outreach In kind gifts Increasing return on direct mail appeals Online giving Prospect research Monthly and annual appeals Expanding your prospect database Please note that some content featured in the original version of this title has been removed in this published version due to permissions issues *The Library Friends, Foundations, and Trusts Handbook* Diane P. Tuccillo, 2024-04-24 The Library Friends and Foundations Handbook is a must have resource for members of Friends groups Foundations library staff members administrators and others who wish to begin or enhance such support group partnerships Its background details build a knowledge base of what such groups are all about and its helpful recommendations can be put into practice as it Focuses upon the history of such groups and how their contributions matter to the vitality of library institutions of all kinds public school state college university and special Describes the various kinds of Friends and Foundation groups sometimes combined how they are organized and run and ways they partner with the libraries they support so that readers may consider how they too might design and form or augment their own groups Carefully explains how groups can effectively market their membership options and purposes to their communities Gives practical advice on recruiting volunteers of all ages and providing training for them to beneficially aid their libraries both financially and with hands on assistance Describes ways library support groups can advocate for their libraries Presents a wide variety of fundraising and donation ideas procedures and examples that readers can emulate reflecting current trends such as online book sales grab bag book sales gala events and securing grants along with equitable methods of monetary distribution Offers a selected bibliography a webliography and an appendix with sample documents The book covers the history of such groups how their contributions matter to the vitality of libraries and library institutions of all kinds public school state college university and special It describes the various kinds of Friends and Foundation groups how they are organized and run ways they partner with the libraries they support how they can effectively market their membership options and purposes to the community to which they are dedicated and ways to advocate for their libraries It explains how volunteers of all ages yes including teenagers are recruited trained and used successfully to aid their libraries both financially and with hands on assistance A wide variety of fundraising and donation ideas procedures and examples are featured that reflect current trends in such activities as online and grab bag book sales gala events securing grants and methods of monetary distribution
